

NEWS AND NOTES.

The stained glass works of McCausland & Son, 68 King St. W., Toronto, are the largest and best equipped of the kind in Canada. The plainest Church or house glass from this establishment possesses the qualities of originality and appropriateness. The figure memorial windows produced by this firm are acknowledged to be of the highest artistic merit. Highest awards, Philadelphia, 1876; London, Eng., 1886; Chicago, 1893.

Life is a building. It rises slowly, day by day, through the years. Every new lesson we learn lays a block on the edifice which is rising silently within us. Every experience every touch of another life on ours, every influence that impresses us; every book we read, every conversation we have, every act of our commonest days, adds something to the invisible building. —J R Miller.

REV. GEORGE M. ADAMS, D.D.,

Auburndale, Mass., writes: "I recommend K. D. C. very strongly; in my case it has proved singularly efficient; when I could find nothing else to give relief it was a prompt remedy. I should be unwilling to be without it."

Free sample mailed to any address, K. D. C. Co., Ltd., New Glasgow, N.S., and 127 State St., Boston, Mass.

One of the best ways to keep from bad thoughts is to fill the mind with good thoughts. To do this we must be students of the word of God. A passage of Scripture will frequently keep the mind from meditating on hurtful subjects.

DEAFNESS.

An essay describing a really genuine Cure for Deafness, Singing in the Ears, &c., no matter how severe or long-standing, will be sent post free. Artificial Ear-drums and similar appliances entirely superseded.
