

"A SCOTTISH RAID,"

By ROSA DONHEUR.

ROSA DONHEUR is the most accomplished female painter the world has ever known. This late achievement represents a drove of long-horned "Kyles" and a flock of shaggy sheep on a heather-clad mountain in the Highlands. The scenery is essentially Scotch. The boldness of feature and vividness of landscape set off the cattle with admirable effect without detracting attention from them. Each animal has its own individuality, which is not lost in the confusion of a general stampede. The texture of their hairy and fleecy coats is marvellously rendered, and the whole grouping is that of a master hand. The air seems cool and misty, and the spring morning, fragrant with the scent of the heather. The birch and the pine darken the glens, and the sedge waves over the moors.

● In the photo-etching, the greatest care and skill have been used by the engraver to preserve the wonderful effect of the original, and the copies attest the successful reproduction of the great master's work. Size of Copies 20x34 inches.

The above superb engraving is a magnificent companion picture to "The Horse Fair," by the same artist. It is the same size and produced by the same process. We will give a choice between "A Scottish Raid" and "The Horse Fair" to every new subscriber to GRIP for a year at \$2.00 cash. Further, we will give a copy of either picture, post-paid, to any of our present subscribers who send us a new subscriber with the cash, \$2.00, a copy being also given to the subscriber; or, we will send either picture to any present subscriber who, before July 1, pays in full to December 31, 1890. Non-Subscribers may obtain a copy of this engraving, post-paid, for \$1.00 cash.
