The amount of new assurances issued in 1884, was nearly

Eighty-five Million Dollars.

No other company in the world has ever written so large an annual amount, nor has any company approached it. It was an increase upon the assurances written by the Society in 1883; as that was an increase upon 1882; and that an increase upon previous years, The Society issues

INDISPUTABLE ASSURANCE,

AND MAKES

PROMPT PAYMENT OF CLAIMS.

Its policies are plain and simple contracts, free from burdensome and technical conditions, and **INDISPUTABLE** after three years from date. All indisputable policies are **PAID IMMEDIATELY** upon the receipt of satisfactory proofs of death, and a legal release of the claim.

By this **PROMPT PAYMENT**, the beneficiary of an **EQUITABLE** policy is not only saved from annoying delays and expenses, but receives pecuniary relief as quickly as if the amount of the insurance had been invested in a bond of the Government of the United States.

The tontine and semi-tontine policies of the Society provide full assurance in case of death. They also give to the policyholder, if he lives through the tontine period, a large return for the money paid for his policy.
