Insurance.

THE INVESTMENT ANNUITY POLICY — OF THE — NORTH AMERICAN LIFE ASSURANCE CO.

PROVIDES that at death, or if on the Endow-
ment Plan, at the maturity of the endow-
ment period, the Company will pay the
amount of insurance in 20 or 25 equal annual
instalments, the first of such to be paid on the
occurrence of the event or at the expiration of
the endowment period. This plan at once se-
cures to the beneficiary an absolute guaranteed
income for the period selected.

The particular features of this plan are not
embodied in any other policy of insurance of-
fered to the insuring public of Canada. It con-
tains elements which no company has yet
offered to the insured.

A much lower rate of premium is chargeable
on it than on the other plans of insurance on
account of the payment of the face of the
policy being extended over a period of twenty
or twenty five years.

The favorable method of accumulating the
profits is equally applicable to this plan of in-
surance as to the other investment plans of the
Company.

For further particulars apply to any of the
Company's Agents, or to
