Notice to Machinist-Contractors !!

Sealed Tenders addressed to the undersigned
(Secretary of Railways and Canals) and endorsed
"Tenders for Lock Gates, Welland Canal" will be
received at this office until the arrival of the Eastern
and Western Mails on THURSDAY the 3rd day of
JUNE, next, for the construction of gates, and the
necessary machinery connected with them, for the
new locks on the Welland Canal.

Plans, Specifications and General Conditions can
be seen at this office on and after THURSDAY the
20th day of MAY, next, where forms of tender can
also be obtained.

Parties tendering are expected to provide the
special tools necessary for, and to have a practical
knowledge of, works of this class, and are requested
to bear in mind that tenders will not be considered
unless made strictly in accordance with the printed
forms, and—in the case of firms—except there are
attached the actual signatures, the nature of the oc-
cupation and residence of each member of the same;
and, further, an accepted bank cheque for a sum
equal to \$250, for the gates of each lock, must ac-
company each tender, which sum shall be forfeited
if the party tendering declines entering into contract
for the work at the rates and on the terms stated in
the offer submitted.

The cheque thus sent in will be returned to the
respective parties whose tenders are not accepted.

For the due fulfilment of the contract the party or
parties whose tender it is proposed to accept will be
notified that their tender is accepted subject to a de-
posit of five per cent. of the bulk sum of the contract
—of which the sum sent in with the tender will be
considered a part—to be deposited to the credit of
the Receiver General within eight days after the
date of the notice.

Ninety per cent. only of the progress estimates
will be paid until the completion of the work.

This Department does not, however, bind itself to
accept the lowest or any tender.

By Order,

F. BRAUN,

Secretary.

Department of Railways & Canals,
Ottawa, 29th March, 1880.
