

Here and There.

A PROPHECY.

Dashaway—There's one thing about it—I'll never marry a girl who doesn't dress well.
Cleverton.—But suppose you can't afford to keep it up. What then?
Dashaway.—She won't be so poor as all that.

DIDN'T KNOW IT'S BUSINESS.

Rowne De Bout.—I hear you have been ill.
Howell Gibbon.—Yes; bwain fever.
Rowne de Bout.—No! brain fever! You don't say. (Pause.) Well, it got left that time

THE FLAVOR OF DECEIT.

Mr. Broadwater (the banker)—Dey's cheatin' goin' on!
Mr. Knight.—Cheatin'?
Mr. Broadwater.—Yassir! da's whad'r said.
Mr. Knight.—How's you gwine t' prove it?
Mr. Broadwater.—Dem lozzenger chips of mine am all pe'p'mint an' I jess smelt sassafrash. Da's how I pvoves it.

HE BEAT THE TATTOO.

Reporter—Great fun up at the dime museum to-night—the one legged drummer run a race with one of the freaks.

Sporting Editor—Look at the heading.

NO ASSISTANCE.

Scene, the club at 5 p m.

Cholly (meditatively)—By Jove! I wish I knew what Kitty Keene would say if I should ask her to marry me.

Holly (with a tone of bitter reminiscence)—I could tell you what she said to me when I did if it would help you any, old fellah!

DISCOURAGED THE AGENT.

"I've got a washing-machine here," began the inventor.

The capitalist looked at him in the cold calculating manner common to capitalists and answered: "Well, if I were you, I'd run right home and use it."

That night the Anarchist band received another application for membership.

TANGLED.

Sobersides (in charge of his friend.)—Now, then, look where you step!
Boozier.—Tha' (hic) tha's jus the trou (hic) ble; I can't step where I look.

HASTY.

Mary.—If Missus don't withdraw what she said to me I shall leave the house.

Thomas.—What did she say?

Mary.—She said, I give you a month's notice!

GOSSIP AT THE POKER PARTY.

Mr. Fred Winston.—Burton's always late. Here we've been waiting for him for an hour.

Miss Creamer.—That isn't a circumstance to that Miss Frankfurt's annoyance. She's been waiting for him for over three years.

OF COURSE NOT.

"I wonder if the little speckled hen laid an egg yesterday?" said Mrs. Rumso.

"Why, no, mamma," replied Freddy; "yesterday was Sunday."

DIDN'T DARE DO IT.

Mrs. Bingo—Your new dress trousers are ruined. I hung them out in the back yard to air, and some boys threw snowballs at them all the afternoon.

Bingo—Why in thunder didn't you go out and stop them?

Mrs. Bingo—I couldn't very well. They were relatives of the servant girl.

KNEW IT WAS THERE.

Lady—Have you any nice, mild cheese?

Mr. Kaiserchintz (grocer)—Yah, I guess you schmel him before you come in aretty, eh?

Mrs. Peastraw—Johnny, you stop sliding down that board or I'll whip you.

Johnny—I won't.

Mrs. Peastraw—You stop or I'll—I'll cut your hair.

Johnny (stopping)—Yes ma'am.

Gargoyle—Who is your favorite poet?
Cummy—Rider Haggard.

Gargoyle—He doesn't write poetry at all.
Cummy—I know that.

Canadian Skill and Enterprise.

The LADIES' PICTORIAL WEEKLY, since its establishment, a couple of years ago, has made rapid advancement, and is now read in nearly 30,000 Canadian homes weekly. Our clientele is a fastidious one—the ladies of Canada—requiring at our hands a neat and clean publication, mechanically and otherwise. The type used is the product of the Toronto Type Foundry, and notwithstanding the severe usage to which it has been subjected in printing such a large edition, it looks actually as well to-day, as when it was put in new. Our printing is done by means of what is technically known as "hard packing," at the utmost speed of the printing press, and to withstand such a strain, it is evident that a metal of extreme toughness—hard, yet not brittle—is necessary. The distinguishing characteristics of Toronto type, are clearness of impression, accuracy of body and remarkable durability. The appearance of the LADIES' PICTORIAL is certainly a high testimonial for home manufactures in the type line, and fully justifies the faith of its publishers in the belief that Canadian skill and enterprise is able at all times to produce the best of everything the country requires.

COPPE HOOK.—I'm afraid so, sir.

EDITOR.—If you do, try to get an interview with Dickens as soon as you arrive, on Howells' criticisms of his novels; and do your best to get it through to us.

In order to introduce our

Inhalation - Treatment

We will cure cases of

* CATARRH *

Free of all charge. All that we ask in return is that each patient, when cured, will recommend the treatment to other sufferers. For free cure apply without delay. We have hundreds of testimonials from all parts of Canada. In no form of disease is the wonderful potency of Medical Inhalation better seen than in the treatment of Catarrh. By means of the

GERMICIDE INHALER

We send the proper medicinal agents directly to the seat of the disease, destroying in a short time all ulceration and inflammation. Under its influence the irritated surface is soothed and healed, and the discharge rapidly diminishes. This seems too good to be true, but true it is, as hundreds in all parts of Canada can testify. What more rational method can there be of reaching and healing the diseased air-passages than by the use of the proper medicinal and chemical substances inhaled into the cavities. Those who prefer to write to some of the patients who have been cured can correspond with the following: Rev. J. S. Norris (late of Toronto), now pastor of First Congregational Church, Parkersburg, Iowa; Mr. Douglass, conductor, 11 Ontario street, Toronto; Mr. T. Mills, 29 Christopher street, Toronto; Mr. W. Fever, surveyor, 800 Seaton street, Toronto; Mr. J. A. McNair, Schau, Ont. Enclose a three cent stamp for reply. In the past two years we have treated over 300 cases of Catarrh free of all charge. It has paid us well. Neighbor tells neighbor, and friend tells friend of our success. If you have Catarrh do not fail to call or write. Address:

CURES DYSPEPSIA

By acting upon the liver, stomach and bowels and purifying the blood, it removes every particle of the foul, impure or morbid matters which obstruct the proper working of the digestive organs and cause dyspepsia. This explains why B.B.B. succeeds in curing even the most obstinate cases.

CURES CONSTIPATION

By regulating the bowels and removing all foul accumulations, it promptly and permanently cures this disease no matter of how long standing the case may be. B.B.B. acts in a natural, thorough and pleasant manner, never causing nausea or griping.

CURES BILIOUSNESS

By regulating and toning the liver and removing excess of bile, this distressing disease, which is the frequent cause of sick headache, dizziness, etc., is cured without fail. No remedy has ever performed so many permanent cures in the same space of time as has B.B.B.

CURES SCROFULA.

This scourge of humanity arises chiefly from bad blood, for which B.B.B. has proved itself the most successful remedy of modern times. It completely frees the blood of every impurity, from a common pimple to the worst scrofulous sore. Pimples, blotches, boils, rashes, eruptions, sores, etc., vanish at once before the wonderful purifying powers of B.B.B.
