A GRATEFUL MOTHER.

RELATES HOW HER DAUGHHTER'S LIFE WAS SAVED.

naemia and General Debility had brought Her to the Verge of the Grave-Physiclans Held Out No Hope of Recovery-Dr Williams' Pink Pills Again Prove a Life Saver.

From the Ottawa Free Press.

A personal paragraph in the Free Press some time ago simply stating that Miss Sophie Belanger, 428 Cooper street, Ottawa, had recovered from a serious illness caused by anæmia and general debility, has apparently awakened more than usual interest and pleasure among her relatives and acquaintances. So much so, indeed, that a reporter of the paper found it extremely interesting to visit the family and enjoy a chat with Mrs. Belanger on the recovery of her daughter after she had for two years been considered irrecoverably a victim of this terribly enervating and dangerous disease. Mrs. Belanger is a very intelligent French-Canadian, wile of Mr. Joseph Belanger, whose wall paper and paint and class establishment is at 146 Bank street. Miss Sophie Belanger, the whilom invalues lid, vascillating between death and life, a promising young lady of seventeen

She lay on a couch like one dying. Years. She is a student under the nuns In St. Jean Baptiste School on Primrose Hill. Over two years ago she fell sick and rapidly wasted away. The nature of her disease appeared to be a profound mystery to the physicians as they were called in one after the other. Despair Seized the family as they looked upon the once beautiful, spirited girl, laying day in and day out, weeks and months on her couch, simply slowly vanishing and they powerless even to raise a smile to her wan lips. Each succeeding medical man gravely told the parents to Repare for the worst. However, Mrs. live up in despair while there is still tope, as her own words will denote.

'It was a terrible time," she said. nothing could be done to save Sophie, and had almost been forced by appear-attending school every day the livliest of the lively. It began like this; the noor girl was coming to me three or four times a day exclaiming "Oh, ma; I have such a terrible headache. I cannot stand the pain of it." This went on the such a terrible headache in fact went on the such as th a long time, weeks in fact, until we ligan to look at it in a very serious asht. We had almost every French Sht. We had almost every French octor in the city called in, but with no Bult. Sophie got worse and worse. ser face was small and yellow while her he were as white as your collar. She was listless and apathetic, and so weak he could not raise her hand to her head. WOOD AND COAL.

The new of Dr. Williams.

Pink Pills, and about this time I noticed a description published in the Free Press somewhat similar to Sopnie's case. Something seemed to urge me to give them a trial, and now I thank God I did. I sent for some and began giving them Situated on the corner of St. Mary and Hargrave Streets, served by the Oblates of Mary Immaculate. Very Rev. Father Guilet, Rector, Rev. Fathers McCarthy, and O'Dwyer, assistants.

Some and began giving them to her one at a time. Before long we saw an improvement, and gradually increased the dose from one to two and then to three at regular intervals. It was incredible to note the change. Her color came back, a different look in her eyes, her general health and appearance gave us all new interest in her. Before the fourth box was gone Sophie was able to be up and around again, and a further be up and around again, and a further use of them fully restored her health, or rather snatched her from the brink of the grave. To Dr. Williams' Pink Pills is due all the credit for we had stopped doctor's medicine, and simply gave her these, following the directions around the horizontal the box. My daughter's life was saved by Pink Pills and no one knows better than her mother. I wish to tell everyone of the cure, as it is almost impossible to believe that the poor thing that lay there, and the happy rosy-cheeked girl who goes regularly to ner classes are one and the same person in such a marvel-lously short space of time, and you may be sure I am advising ailing neighbors to use this wonderful medicine."

Just as the reporter was leaving Miss Belanger returned from school. She was the picture of grace, health and beauty. her lithe physique denoting health in every movement, while her face showed the warm ruddy glow of health. She corroborated all her mother had said besides adding some new testimony.
Happiness now abideth in that home

where misery held sway too long, and Mrs. Belanger rests her faith in Dr. Williams' Pink Pills, which will do for other weak girls what they did for her
