BOYS FOR FARM HELP.

The managers of DR. BARNARD'S HOMES desire to obtain good situations with farmers throughout the country for the boys they are sending out from time to time from their London Homes. There are at present over 4,000 children in these Homes, receiving an industrial training and education to fit them for positions of usefulness in life; and those who are sent to Canada will be selected with the utmost care, with a view to their moral and physical suitability for Canadian farm life. Farmers requiring such help are invited to apply to **MR. ALFRED B. OWEN, Agent Dr. Barnard's Homes,** 214 Farley Avenue, Toronto.

IMPORTANT TO FARMERS

If You are in want of a Good Farm Wagon this Spring,

WE WOULD OFFER YOU A WORD OF ADVICE.

No other Implement about the Farm is so Indispensable as a Good Wagon.

A cheap wagon is dear at any price. The farmer who takes pride in having the best should not overlook the claims for pre-eminence of

THE BRANTFORD BAIN WAGON

While positive that it has no superior, we are candidly of the opinion that it is unequalled.

The Brantford Bain Wagon

Is built of the best white oak timber, thoroughly seasoned, and is ironed in a manner to secure further strength without giving it a clumsy appearance. It is painted and varnished with the best of material that money can procure, thus giving it a bright and attractive appearance.

Common prudence dictates that when a farmer buys a wagon he should get the best to be had—the wagon which combines strength, durability and ease of running, with a workmanlike and tasteful finish—and all these desirable qualities are to be found in

THE BRANTFORD BAIN WAGON

The popularity with which

The Brantford Bain Wagon

is everywhere received is indicated by its enormous sale, and attested by the testimony of hundreds of representative farmers and dealers.

Before placing your order for a wagon this spring be sure to call upon our agent or write us direct and see that you get

THE ONLY GENUINE BAIN WAGON

manufactured in Canada.
