Varsity Boys!

Are to be the men of the future — the very near future—who should take the front rank.

To do this their habits must be correct in every particular.

Total abstainers have a great advantage over non-abstainers in the confidence that is given them and the opportunities that are afforded them.

In addition to all the other advantages they possess, they have a greater chance of long life and should get their life insurance for less money. This they can do by patronizing THE TEMPERANCE AND GENERAL LIFE ASSURANCE COMPANY, which is the total abstainers' Company in Canada.
