Culture, Rhetoric, English Literature, Orthoepey, Psy-
chology, Pedagogy.

Werner's Dictionary of Synonyms & Antonyms, Mythology and Familiar Phrases.

A book that should be in the vest pocket of every person, because it tells you the right word to use. **No Two Words in the English Language Have Exactly the Same Significance.** To express the precise meaning that one intends to convey a dictionary of Synonyms is needed to avoid repetition. The strongest figure of speech is antithesis. In this dictionary the appended Antonyms will, therefore, be found extremely valuable. Contains many other features such as Mythology, Familiar Allusions and Foreign Phrases, Prof. Loissette's Memory System, 'The Art of Never Forgetting,' etc., etc. This wonderful little book bound in a neat cloth binding and sent postpaid for \$0.25. Full Leather, gilt edge, \$0.40, postpaid. Order at once. Send for our large book catalogue, free.

Address all orders to
