

Adjournment Debate

In New Brunswick, Maritime Beverages Ltd. Manager Marvin Corscadden sees it this way:

The GST seems to be more advantageous than we first thought.

Another opinion, this one from steelmaker IPSCO Inc.:

Without the federal sales tax a good many IPSCO customers will be more competitive and, by the same token, find it a lot easier to market their products.

Finally, a word from the Canadian Construction Association:

The GST will lower prices in the non-residential construction sector.

Mr. Speaker, I could go on and on, but instead allow me to give my colleague a list of people and Canadian industries that support and understand the GST.

The Acting Speaker (Mr. DeBlois): The motion to adjourn the House is now deemed to have been adopted. Accordingly this House stands adjourned until tomorrow at 11 a.m., pursuant to Standing Order 24(1).

The House adjourned at 7.21 p.m.
