

Canada Day

Fun, fun, fun!

More than 300 children and a crowd numbering 700 jammed the fairgrounds in South Mountain last Saturday for the 5th annual, July 1st Family Fun Night. Balloons, face painting, Aul's treats, sack races, and three legged races were just some of the action-packed events lined up for the children. Adults also participated in games including tug-of-war, although, in the top photo, it appears that teenager Greg Van Bridger is pulling a whole group of adult types into the dirt.
