

THE ARNOLD

AUTOMATIC

Steam ♦ Cooker,

CONSTRUCTED ON SCIENTIFIC PRINCIPLES.

A HOUSEHOLD NECESSITY.

ENTHUSIASTICALLY ENDORSED AND RECOMMENDED

BY ALL WHO HAVE TESTED IT.

IT IS A WELL KNOWN FACT

**That Food Cooked by Steam is More Palatable, Easier to Digest
and More Nourishing.**

THAN BY ANY OTHER METHOD,

If this truth was more generally heeded, it would prevent much sickness and in most families, save many dollars every year in medicine and doctor's bills, to say nothing of the amount of food actually saved every day, that either evaporates, boils or burns away by the ordinary methods of cooking.
