

In this pamphlet, the following sentiments are copiously and variously expressed:

"The Public Schools are infidel and Godless, and must therefore be avoided." *P. 87.*

"Sad experience has made it evident, that Catholic Youth, by the frequentation of the Public Schools, are almost without exception, exposed to great danger, not only of corruption of morals, but also of losing faith itself." *P. 88.*

"The line is drawn, and pastors cry to their flocks: 'Are you Catholics? Come over to me and send your children to Catholic schools. Are you not Catholics? Then go away about your business; we want no such black, scabby sheep to infest the flock of Christ.'" *P. 101.*

I forbear quoting further, but Americans who would understand the real animus of the Roman Catholic attack on the American School system, should read this pamphlet.
