### LETTER TO MAJOR MAGRATH.

TORONTO, *30th April, 1840.*

MY DEAR SIR,

With all due deference, I herewith send you the statements (two) of my racing accounts for 1837 and 1838, as they may assist you in making out yours for 1839, but which perhaps, ought more properly to have followed suit, and been in your possession ere this. I am happy to find that the balance of £8 6s. 6d. is in my favour and hope that you are in funds for the same reason.

It will most probably be wished to be known on Friday afternoon the sum that was raised last year, as a kind of guide for the present.

Yours &c.

[Signed]

J. MAITLAND.
