

supporting. He left to take charge of St. Matthews Church, London, to the regret of those among whom he had earnestly and indefatigably laboured for nearly six years. The Rev. J. A. Robinson, M.A., B.D., incumbent of Norwich, took charge of the Parish on Sunday, February 12th, 1911. Since coming to the Parish Mr. Robinson has steadily grown in the esteem not only of his own people, but of the whole community. It is gratifying to know that the Parish is making steady progress and with gratitude to the Great Head of the Church, it is to-day, in a most prosperous and flourishing condition. The new iron fence, with its concrete base, set off to the best advantage by pressed brick pillars, seems to put the finishing touch on what is believed to be the finest Church grounds in the Diocese. Thus with a growing membership and an ever deepening spiritual life, it is with heart stirring gratitude to Almighty God, we commemorate our Fiftieth Anniversary on Sunday, September 22nd, 1912.

On the Honour roll of membership in this Parish, we find the names of Rt. Rev. P. Rowe, Bishop of Alaska; Rev. Rural Dean Robinson, Strathroy; Rev. Canon Marsh, Lindsay; Rev. T. J. Marsh, for many years missionary to the Indians at Hay River, in the Diocese of McKenzie River, and Kerwood Alexander, B.A.

But to complete the story we need something farther. During the 46 years work as a separate there were 1109 Baptisms, 355 Burials, and 255 Marriages registered. That stands for an active life among the Church members generally. To estimate that work three helps are appended— (1) A list of Churchwardens and other officials. (2) Report of Ladies' Guild by Mrs. H. Lyne, and of the Young Peoples' Association by Miss L. Ferguson. These figures will speak for themselves. (3) A financial statement of the Church up to 1st of April last 1912.
