PRIZES AWARDED FOR GOOD ESSAYS

Bishop Sweeney Presided at Meeting When Humane Society Gave Awards.

At the Margaret Eaton School last evening Bishop Sweeney presented the prizes to the pupils of the schools who had been awarded them for essays on the subject: "Why I should be Kind to Animals." The awards were from the Toronto Humane Society, the object being to awaken interest in the work of the association among the younger portion of the community. In the course of a short address, Bishop Sweeney said he thought the time had arrived when the people of Toronto ought to take seriously the work of the association which for twenty years had been doing such good in their midst by the crusade they carry on against cruelty to animals. Mr. Harris, the secretary, stated that owing to repairs on the headquarters building at McCaul street, and other expenses, funds were needed. Those present and the public generally were invited to contribute. The prize winners were as follows, under the name of their respective schools: prize; Grace West, Ethel Stephenson, St. Cecilia, Marjorie Hartwick; North Huron street, Abe Wilson, Mary Barlow; Deer Park, Cowan, King Edward, Ella M. Canham; McMurrich, Lloyds; Leaver; Withrow avenue, Joseph McDonald, Grace Cox; Winchester street, Jessie Sommerville; Esther, T. Nelson; James Flaxton, Lawrence Wallace; Norway, Gladys E. Hall, Edna Westerman, Doris Hopkins, Lily Doran. A good sized audience witnessed the presentation, and Mr. Kelso presided.

Intimate knowledge may be a magnifying glass, but some men positively blink under it.

THE PARLOW-BACHAUS CONCERT

It was a regret and the only regret with all who attended the Parlow-Bachaus concert in Massey Hall last night, that the audience was not of more generous proportions. Miss Kathleen Parlow, as a Canadian who has attained international reputation as a violinist of the highest distinction, and who has several times been accorded notable receptions in this city, had a right to expect a better patronage, and Wilhelm Bachhaus is a brilliant and artistic pianist. Miss Parlow played in her most perfect style, and even after the visit of such giants as Tsayee and Kreisler, there is nothing disparaging to be said of her tone or her technical facility. Her bowing produces a note of exquisite purity, and while the purity remains, she displayed increasing strength last night and maturity and breadth, which promises still more in the years to come for so young a virtuoso. The lovely sonata in C minor, by Grieg, with which the concert opened, with its wealth of melodious tenderness, was exquisitely rendered, and Mr. Bachhaus who took the piano part admirably, fell into the spirit of the piece and sea and the thrilling nature of the cadenzas, in which Grieg is so prolific, afforded scope for every phase of poetic fancy, and Miss Parlow is a true exponent of the Grieg temperament. Her second number was the Paganini concerto in D major, in which her brilliance technically impressed the audience. Her tone throughout and cadenzas and lightning harmonies won unreserved admiration. In her third suite the soul of poetry and romance in her interpretations was as apparent as in the Grieg number. Her Nocturne, a frankish Hungarian dance (Brahms-Jacobson) and Wieniawski's Polonaise in A major, won a double encore. Miss Par-

low responded first with Kreisler's "Caprice Viennoise," and secondly with Schubert's "Moment Musical," gently, and gently strong, was excellent in the Grieg sonata, but found most favor with the audience in more familiar Chopin selections. He was applauded after each number and encored again and again, and the audience would have listened to Chopin as long as he cared to play. He also gave two Schubert numbers, and Tausig's "Military March," which also received an encore. Charlton Keith, an old London pupil of Prof. Hamburg, accompanied Miss Parlow in her solos, and acquitted himself admirably. A. E. S. S.

CITY MISSION ANNUAL MEETING

Good Work Done, But Financial Assistance is Urgently Needed.

The thirty-fourth annual report of the Toronto City Mission was presented at a meeting held in Westminster Presbyterian Church last evening. The report tells of the work done by the missionaries in the house to house travels, on the street corners and in the jails, and the good that is being done at the mission summer house at Bronte. Rev. Robert Hall, the senior minister, told of the hardships to be met with in carrying out the work and of the deplorable conditions to be found in the slum districts of the city. A great many of the people are found without food, warmth or clothes, and in many cases they are packed into rooms like pigs. He made a plea to those present to aid financially in the work. The door to door work was explained by Rev. Albert Osborne. Rev. John McNeil, pastor of Cooke's Presbyterian Church, spoke of the length on general mission work and the hardships to be met with. He stated that nowadays not enough work on the street corners was being done by the ministers of the various churches and denominations. The report presented for the year ending Oct. 1 showed that the past session was the most successful since the commencement of the mission thirty-four years ago.

CHAIRMAN OF SCHOOL BOARD WILL ENTER MUNICIPAL FIGHT

William W. Hiltz, Announced as Aldermanic Candidate in Ward One, Stands With Mayor Hocken for a Clean-Up of the Electric Franchises.

W. W. Hiltz, chairman of the board of education and a type of citizen that can be depended upon to add strength to the sane and progressive element in the city council, will offer himself for election on Jan. 1, as alderman for ward one. He is strongly in favor of the clean-up of the franchises. "As I understand Mayor Hocken's plan for the clean-up of the franchises," Mr. Hiltz said, "there is to be the utmost assurance that the agreement of purchase provides for a clean-up of the franchises. The matter will not be submitted to the electors until there is that assurance. "I also understand that the agreement of purchase has to run the gauntlet of the Provincial Hydro Electric Commission and the lieutenant-governor in council, and that the special counsel of the commission and the government will promptly send the agreement of purchase back to the civic legal department if it fails to assure a clean-up of the franchises. Nothing to Fear. "With this extraordinary protection of the city's interests," Mr. Hiltz said, "I feel that the citizens have nothing to fear when the bylaw will be submitted to property owners. When the agreement of purchase is ready for the council to submit a bylaw I certainly will be a strong supporter of it, for I will be positive that everything possible has been done to assure a clean-up of the franchises. "My experience in land values," Mr. Hiltz continued, "convince me that a unified street railway service on a fare basis will give opportunity to workmen to own homes within convenient reach of work and where the environment will be much more pleasant than in the present congested area or in the suburbs unserved by rapid transit."

In anticipation of the usual Christmas rush, the Canadian Express Co. have addressed a circular to all agents and employees, impressing on them the necessity of extending to all patrons every possible attention and courtesy, and giving all shipments the greatest expedition and care. Accuracy and efficiency is the slogan.

HARRIS MUSIC SCHOOL GAVE FALL RECITAL

Y. W. C. A. Hall Was Scene of Artistic Entertainment Provided by Pupils.

An excellent fall recital was given by the pupils of the Harris School of Music, assisted by Fred Perrin, before a large crowd in the assembly hall at the Y.W.C.A. last evening. Those contributing to the program ranged in age from seven years up to the majority having taken less than fifty lessons. HEARTS ARE SET ON NURSES' HOME

Western Hospital Board of Ladies Have Novel Project in View.

PRESIDENT RE-ELECTED

Mrs. Stowe-Gullen Will Retain Her Position During Another Year.

The annual meeting of the ladies' board of the Western Hospital was held yesterday afternoon, the president, Dr. Stowe Gullen, in the chair. It was reported that eight meetings had been held during the year, and it is expected that within the next few days the nurses of the institution will number eighty. The ward in memory of Emily Stowe Gullen is almost ready and is being looked after by Dr. Stowe Gullen. A properly equipped Nurses' Home is the object upon which the board will now concentrate. Dr. Gullen in her address emphasized the need, and expressed the hope that funds may be raised probably thru private subscription, for the thirty thousand or so necessary. The president took considerable pride in her reports, which were all most satisfactory, and said that the board had never yet had to report a deficit. Flowers were presented the president by Mrs. Price Brown on behalf of the ladies present. The entertainment committee reported a surplus of \$479.14. The committee of good cheer had distributed clothing, boots and socks, mufflers and ties last Christmas, and steps were taken to provide a special dinner for all in the hospital at the near festive time. The president referred to the death of Mrs. Kerry, one of their early members and to the illness of Mrs. Alexander Darling, another of their good workers. A vote of thanks was offered Mrs. Nelson Wilkinson, who for the past four years had so ably attended to the work of the corresponding secretary, but who, owing to pressure of other calls, had to resign. The election of officers resulted as follows: Hon. presidents, Mrs. Hay, Mrs. Price Brown, Mrs. Baxter, West, president, Dr. Stowe Gulien, returned by acclamation; vice presidents, Mrs. Crawford, Mrs. Tomlin, Mrs. Faskin, Mrs. Wilkinson, Mrs. Ferguson, treasurer, Mrs. McIlroy, returned by acclamation; recording secretary, Mrs. Hollinrake; chairman of Christmas good cheer, Mrs. Tomlin; executive, Mrs. Pinkerton, Mrs. Stowe, Mrs. McCullough, Mrs. Hart, Mrs. Welsh, Mrs. Eaton, Mrs. Wilkinson.
