

Washing made Easy and Pleasant

THIS WASHING POWDER
IS WHAT DOES THE WORK!

OH SCAR! IT IS SUCH
HARD WORK TO WASH!

BY THE USE OF BOSTON CHEMICAL WASHING POWDER!

THIS Powder, prepared by a practical Chemist, is a superior article for Washing Clothes. The process of using is simple and easy, and cleanses without injury to the finest fabric. One package of this Powder will make two gallons of soft soap, superior in quality for all domestic uses.

Nothing exceeds this Powder, after having been made into soft soap for removing grease spots from woollen clothes and carpets.

Directions on each package of the Powder—which, if followed, give, after a fair trial, general satisfaction. Book & Co., Manufacturers, No. 127 Washington Street, Boston. Sold by D. Taylor, Jr., Boston, General Agent for the Provinces, to whom orders must be addressed. Sold in Halifax, wholesale and retail by John Lithgow, J. Benson & Co., W. M. Harrington, A. McLean, Grocers. Also, by John Naylor, Avery, Brown & Co., Morton & Co., Druggists, and by dealers generally.

PERRY'S HUNGARIAN BALM.

THIS elegant preparation is an effectual Remedy for Baldness, or falling out of the Hair. It prevents and completely eradicates Scurf and Dandruff; strengthens the roots of the Hair; causes it to grow luxuriantly; gives it a Rich, Dark, Soft and Glossy appearance, and prevents it turning Gray. The Hungarian Balm is a purely Vegetable compound, scientifically and chemically combined, and is warranted to contain none of those deleterious ingredients which prove so injurious to the Hair. It acts directly upon the skin, cleansing and purifying it from all unhealthy secretions, thereby removing and preventing the accumulation of Scurf, Dandruff and other impurities, which so frequently cause premature decay, and loss of the hair.

The Hungarian Balm is especially adapted to ladies use: and those who have tried the various oleaginous mixtures, with no benefit, will at once discover the agreeable and beneficial effects produced by this pure and delicate preparation. Try it once, and you will be convinced of its superiority over all other compounds for the hair.

If you have lost your hair and wish to preserve it.—If you are troubled with Dandruff and wish to remove it.—If you have any humour of the Scalp and wish to cure it.—If you are troubled with Nervous Headache and wish to cure it.—If you have Hair Enters at the roots of the hair and wish to destroy them.—If you have Harsh, Dry and Wiry Hair, and wish it to become soft, pliable and beautiful as silk; and if you wish to preserve Rich, Graceful and Luxuriant Tresses to the latest period of life,
