STEAMER ARRIVALS.

AT TRADES COUNCIL

by James Simpson.

were preferred by James Simpson last night at the regular session of the Toronto Trades and Labor Council against the nonor of Arthur O'Leary and W. J. Hevey in connection with the financing of a new labor Journal known as The Labor Leader. Both Mr. O'Leary and Mr. Hevey replied yigorously and frankly to the charges, denying them absolutely, and firmly expressing their determination to press the charges thru the civil courts to their depths. Following a vigorous The supreme council of the pace death had resulted from septicemia or blood poison, resulting from infection of the base of the brain from the injury to the nose, which had evidently been caused by a blow. The examination had revealed that the scalp received extensive bruises, and in some places the body had been bruised as if from blows or kicks.

Mrs. Jemima Bailey, who lives at 3 Empire avenue, next door to the Kennedys, the place where Lavoie was supposed to have received his in relief work.

The supreme council of the peace first heard it in the Kennedy house, their depths. Following a vigorous discussion of the pros and cons of the issues involved, it was decided to elect a committee of the Trades Council to investigate the charges and report back to the council at the earliest possible date. Many in the hall were opposed to the proposition to investigate a charge which was sub judice, both out of fairness to those directly concerned, and because it would be impossible to arrive at a proper undersanding of the real facts of the case until the courts had pronounced when the conference and not to embarrass by previous desistance.

Another impossible to arrays a proper and the courts had pronounced in the conference and not to embarrass by previous desistance.

LAVOIE DIED FROM **BLOOD POISONING**

Returned Soldier Apparently All Right When He Visited Hospital.

That Norman Lavoie, the young French-Canadian returned soldier who died from injuries received in a fight on July 27, had visited St. Michael's Hospital to have his nose X-rayed for broken bones and was then apparently in the best of health, altho he W. T. R. Preston of Port Hope moved that these colossal frauds died about three days later, was the statement made to the jury investigating the circumstances of Lavoie's military officers and civilian officials helding influential and responsible Malcolm Cameron. died about three days later, was the

Whereas it has been openly charged that there was a conspiracy to carry out an elaborate system of frauds in connection with the military voters' part of the 'ar times election act for the purpose of overcoming the voice of the honest electorate of the Dominion, involving the voting of unqualified persons, double voting, personation, ballot stuffing, and the illegal switching or transferring of tens of thousands of votes to constituencies other than those in which the military cleared that these frauds would have been impossible without large numbers of the appointees of the crown deliberately co-operating and committees and whereas it has been openly and the best of the beforementioned that has been alleged that the diegon and the dilegal and responsible whom to be immediately known to be immediately implicated in the direct and the diegon and that Lavole had called in a great hurry on July 30 and that Lavole had asked that an X-ray picture be made of his nose, which was in a badly battered condition. The X-ray, said Dr. Cameron as delle three hours after admittance. Nothing could be done to save him as the diagnosis had been proven to show that he was suffering from meningitis of the brain, caused by infection from his injured nose. Some part of the nose had been injured and had festered and thus infected the base of the brain.

Asked why he had not attended Davoie on his first appearance at the conon his first appearance at the nos-pital, witness replied that in the first place the man had been in a great hurry, and secondly he had thought it unwise to remove the blood clots which
