Marines From the Anglo-German Fleet Land at La Guayra—Wild Scenes at Caracas When News of Capture of Vessels is Heard—Populace Parade the Streets Crying "Down With the Foreigners!"

PRESIDENT CASTRO APPEALS TO HIS PEOPLE TO TAKE UP ARMS

La Guayra, Dec. 10.—The combined Anglo-German fleet is entering this harbor, and the first vessels are not 100 feet from the eastern beach. The landing of marines has begun. WARSHIPS SEIZED. Caracas, Venezuela, Dec. 9.—At 4 o'clock this afternoon the combined German and British fleets seized and towed outside the harbor of La Guayra all the vessels which were there. These were the warships General Crespo, Tutuna, Osuna and Margarita. The ships were manned by 300 men.

CALL TO TAKE UP ARMS

Paris, Dec. 10.—A Venezuelan government communication to its representative here, protests that Great Britain and Germany, acting in concert, have committed an act of hostility in a manner as arbitrary as it is unprecedented, by the seizure of Venezuelan vessels lying at La Guayra.

SOFT COAL FOR WINTER YOU WILL NOT GET HARD

Supply of Anthracite Can't Fill the Demand—Fuel Situation Growing Worse. What will be the state of affairs in Toronto at a very early date if the autumns of the fuel situation becomes much worse than it is now? Even under the present weather conditions, which are very mild, companies dealing in coal are finding it difficult to supply the daily consumption of fuel is much larger than the daily addition to the local supply.
