Owen Sound, July 17.-Mr. John Rose of Owen Sound, whose brother, Phillip TRIAL PROVES ITS EXCELLENCE.—
The best testimonial one can have of the virtue of Dr. Thomas' Eclectric Oil in the treatment of bodily pains, coughs, colds and affections of the respiratory organs, is a trial of it. It not found the sovereign remedy it is reputed to be, then it may be rejected as useless, and all that has been said in its praise denounced as untruthful.

Of Owen Sound, whose brother, Phillip Ross was murdered in the western states on Aug. 22, 1906, has received word of the arrest of Charles Aronson, a salcon-keeper of Seattle, who is suspected of having committed the murder Several articles which had been the property of the murdered man were property of the murdered man were found in the possession of Aronson

IN FIELDS FAR OFF.—Dr. Thomas' Eclectric Oil is known in Australia, South and Central America, as well as in Canada and the United States, and its consumption increases each year. It has made its own way, and all that needs to be done is to keep its name before the public. Everyone knows that it is to be had at any store, for all merchants keep it.

A most delightful time of the year to travel is in the month of July. Acvacation for a trip to the greatest city.
