MEMORIAL SERVICE AT ALL SAINTS' CHURCH

Elloquent Tribute by Bishop Reeve to Life Work of Canon Baldwin.

All Saints' Church was thronged at the impressive memorial services held yesterday as a tribute to the long and successful pastorate of the late rector, Rev. Canon Baldwin, M.A. The pulpit, reading desk, and other appropriate portions of the church were suitably draped with black, purple and white crepe.

The morning service was conducted by Rt. Rev. Bishop Reeve, and Rev. H. C. Raymond, assistant minister. An affecting incident was the request by Rev. Mr. Raymond that the names and addresses of sick members of the congregation might be sent to him so that he could take up the work where it had so suddenly fallen from other shoulders.

Bishop Reeve made an eloquent memorial sermon on the text, "Whose image and superscription is this?" St. Luke xx, 24, "Our friend Lazarus has fallen asleep; but he calmly waits for the hour when he will be called by God for some nobler work. He was preaching as usual with accustomed vigor and amidst this heroic discharge of duties he was called higher by God for some nobler work. He was called, not to purgatory, but to paradise. Therefore, the congregation should be glad for him."

But the occasion was sad for those who mourned for the face that has vanished and the voice that is still. They had lost a friend. Who would fill his place on the committees where he was so active for the widows and orphans? How many will mourn for him who remembered how he had cheered them in their times of sickness and bereavement? He was a friend whom heart and hand and snow and cold never deterred. His last act to the preacher was to forward a cheque in aid of a distressed clergyman, but so unostentatious was he that no one but God knows how many will at the last rise up and call him blessed.

Bishop Reeve explained that about two weeks ago the late Canon Baldwin asked him to preach at All Saints on the text used in this sermon. How little, said the prelate, did either of them think that it would be used under such changed circumstances! But in using this text at this time he asks each hearer to make a personal application. Let each look in his or her mirror and ask whose image and superscription is seen? Is it Christ's or the world's? The speaker said that their late pastor had wrought day in and day out and the ultimate answer would show whether his long pastorate had failed.

A large portrait of the late rector, draped with black crepe, faced the audience from the platform of the large Sunday school room at the afternoon service. The usual class lessons were omitted, and a memorial service held in their place. Mr. Despard, superintendent of the Sunday

School, in the opening address, said: "When we met here last Sunday we little expected the death of our beloved canon. It was only on flower Sunday that he was here expressing his joy that so many were in the class rooms studying the gospel of our Lord."

Teynson's hymn, "Crossing the Bar," was effectively rendered by a choir composed of twelve of the boy scholars.

Rev. H. C. Raymond, the esteemed acting rector, said that their late pastor would not wish the motto to be sad, for he had long watched with anticipation for this call to his heavenly home. Those who knew Canon Baldwin could not find in this world a more trusting and nobler life. All Saints' Church and Sunday school are a monument to his life, grander than any monument of marble, and the fruits of that religious teaching of the children would be his living monument in the years to come.

An eloquent tribute was paid to the late Canon Baldwin at the evening service by Rev. Canon Dixon.

Found Drowned. SAULT STE. MARIE, Ont., July 19.—(Special.)—A party of men employed on A. F. Bowman's dredge at the government dock found the body of a man floating in the river. The body had been in the water some time, as the exposed flesh was all gone and identification impossible. In the pockets were found an agreement between H. or W. Bedard and the Amour and LaBelle Employment Agency, Susex-street, Ottawa, whereby the man was to work in the Algoma woods. The man was apparently about 50 years old, 5 feet 7 inches high, and dressed in the clothing of a lumberjack.

WEST TORONTO, July 19.—The Socialists in West Toronto are having their own troubles. Saturday evening a few speakers gathered at the corner of Keele and Dundas-streets and were making great impressions on the crowds listening, when the meeting was interrupted by several members of the Industrial Workers of the World, who objected to some of the statements regarding wages made by the Socialist speakers. A dispute arose, and the arguments became so heated that the police stopped the meeting altogether and dispersed the crowd.

Interesting addresses were given today at the Annette-street Baptist Church, by James Moses, a missionary on the Tibetan West, for over 15 years. "Tibet is still a closed land," said he, "as far as the gospel is concerned. The religion is Buddhism. The people are a priest-ridden, nomadic race, and very superstitious, and on this account are very hard to reach."

One of the oldest residents of this city is Elias Wilds of 51 May-street, who has just received a life pension from the C. P. R. after being continuously in the company's employ for nearly 15 years.

At the meeting of the city council to-morrow evening, the artesian water question will be again discussed. The matter has taken up so much time and attention recently, without any definite results, that it is the intention of the council to refer the question to a climax to-morrow evening.

There are 52 cars of stock in the Union Stock Yards for to-morrow's market.

In the West Toronto league games Saturday the All Stars defeated the comfort soap works in a close and exciting game by 5 to 1. Batteries for All Stars, Bolton and Carr; for soap works, Gwine and Lister. Both pitchers done grandly, Bolton getting the better support.

In the second game Davenport Stars and Bankers went five innings, when a close game was played. The game given against the Stars. They left the field, refusing to finish the game. Batteries for Davenport, Shurtleff and Lavell; for Bankers, Gwynne and Hilday. Umpire, Jim Mahoney. Attendance 200.

Record Crowd Saw Fine Exhibition of Football in Town.

EAST TORONTO, July 18.—Chief of Police Tidberry was on Saturday afternoon in the midst of the finest of a human leg about 1-4 miles north of the village, in a lane in close proximity to the Jewish cemetery, as the matter was in Scarborough Township and outside the chief's district, he turned the matter over to Constable Hewitt, who went out and made an examination. The leg was somewhat decomposed, bore the mark of being roughly amputated above the knee, and when found was wrapped in a newspaper of comparatively recent date. There is no clue to the mystery, and the opinion generally prevails that the act of vandalism is the work of a medical student.

Conditions at the cemetery are such as to call for the immediate interference of the local board of health, as many of the graves in the Hebrew cemetery at that place are only buried from two to three feet deep, and in some cases the bodies are exposed.

The football match on Saturday afternoon between the Little Yorks and the Thistles drew together one of the largest and most enthusiastic crowds ever gathered in the town. Fully 1000 were on the grounds, and some idea of the interest attached to the game by the farmers over the township of York and Scarborough may be added.

LADIES HOLD RALLY.

York County Women's Institute Hold Annual Picnic in High Park.

The York County Women's Institute "rally," held at High Park, was attended by over three hundred. After the luncheon Mrs. Farrand of Woodbridge, Ontario, gave the invocation, which was opened by singing "The Maple Leaf." Short addresses were given by members of the institute.

Among the lecturers were Mrs. Mills, Ella, Thistlesdown and West Toronto. Miss Bertha Duncan, a member of Weston, Ontario, and the president of the institute, turned from a trip in connection with the "summer series" of institute meetings, spoke on the work, as viewed from a lecturer's standpoint. She also suggested topics for a varied program, speaking briefly on some of the subjects.

Mrs. Cooper spoke of the progress that has been made in the branch at Thornhill, of which she is president. The meetings are well attended and generally successful.

Mrs. H. Thompson, secretary of the Agincourt Institute, gave a good report of that branch. She also mentioned the work mapped out for the coming year, in which excellent topics are being considered.

Mrs. Doan of Newmarket, district president, told of the work done there. As yet the women's institute was in its infancy in that district. The first institute organized in North York was only two years old. There are now four branches with a total membership of about 150.

Miss Libby Duncan, secretary of West York, reported on the work done in the district during the past year. The institute was organized in West York two years ago. There are now nine branches in the district. The membership for last year was about 80. Over 60 meetings were held during the year with a total attendance of about 2000. The addresses given numbered 84, and the subjects were interesting, entertaining and instructive.

Miss Lulu Reynolds, secretary of East York, said that they were going at the work slowly and steadily. They have been organized for ten years, and have six branches, and about 250 members. She spoke particularly of the program of the Agincourt branch, of which she is a member. The meetings of that institute are held in the homes, and are most successful. Frequently the attendances at the meetings are as large as 80. It really was a decided success, and all are looking forward to another next year.

en in the matter, as only 26 ratepayers presented themselves, including the mayor, two councilors, three civil officials and a couple of reporters.

Mayor Fisher presided over the meeting and explained that he was ordered by the council to call the mass meeting, and gave a general outline of the purpose of the two bylaws. The Councillor Irwin, the father of the fire department bylaw, explained that the proposal was to erect a firehall at rear of the town hall, string wires and plant about 300 poles over the town and to install about 25 alarm boxes. This would mean about eight miles of wiring. If the bylaw carries the hall will be built, a man will reside in the hall, and a horse, hose and hose reel will be the necessary requirements. The fire department will be purely voluntary and no salary will be attached to any member of the same. Gongs will be placed at different parts of the town, and where practical steam whistles will be installed.

Town Solicitor T. A. Gibson explained the bylaws and urged the passage of same.

Councillor Parke favored the plan, as it would only entail an annual expense of 45 cents on every \$1000 assessment.

Councillor Howe also favored the bylaws.

D. D. Reid favored a more elaborate system instead of "a one-horse affair," and suggested to add a couple of thousand dollars to the bylaw and make it a "two-horse affair."

Herbert H. Ball (James Legit, A. J. Brown and John Reid also spoke briefly, the latter stating that if the money were spent on the roads more good would result.

BILLY BEACH.

BILLY BEACH, July 19.—(Special.) The open-air service conducted by Rev. A. McIntyre of St. Aidan's, at 4 o'clock on Sunday afternoon, at the foot of Balsam-avenue, on the lake shore, was attended by between two and three hundred persons. Music was conducted by Mr. Van Valkenberg, and altogether the innovation is likely to be popular during the heated term.

TALLY-HO DRIVER KILLED.

WHEEL JARRED AT CAR TRACKS AND THREE HIM UNDER WHEELS.

GUELPH, July 19.—(Special.)—Fred Anderson, a driver for Hooper's livery stable, was killed almost instantly while driving a tally-ho load of printers to Puelish Lake, where they were to meet the printers of Galt. Anderson was about 37 years of age, and a resident for 7 years. It was in front of Ald. McAteer's residence, Waterloo-street, that the front wheels caught in an open switch on the car tracks, which at this point are not protected by planking of any kind. Anderson, who was heavily laden with the dashboard, was thrown out. The wheels ran over his legs and the hind wheels over his body. A doctor could not be secured for nearly half an hour. Anderson died at 5 o'clock, about an hour after the accident. He has a sister-in-law living here and some other relatives in Toronto.

CYCLONE IN OXFORD.

Great Damage to Crops From Wind, Rain and Hail.

INGERSOLL, July 18.—(Special.)—A cyclone accompanied by a terrific hail storm passed over a small section of North Oxford Township early this morning, causing thousands of dollars' damage to the crops, leveling trees and breaking hundreds of panes of glass on the south side of buildings. The storm is described as being typical of those experienced in some parts of the west.

The wind came with a roar from the south and the storm burst with all its fury in the part of the township adjoining this town. Several farmers' losses were estimated, and suffered heavy losses. Their crops were either cut down or pouged into the ground by the force of the wind. There was also a perfect deluge of rain, many of the fields being completely submerged.

On the farm of Jas. Comiskey the entire flock of ducks were killed by the hailstones. Rising to close the bedroom window S. J. Prouse picked up a hailstone measuring an inch and a half in length. The cyclone lasted for about 20 minutes and took a southwesterly course.

Killed at Guelph.

GUELPH, July 18.—This afternoon Fred Anderson, an employe at Hooper's livery stable, while driving a four-horse tally-ho with a party of printers to play baseball at Puelish Lake with the Galt printers, was killed from his seat, and both the front and hind wheels ran over him, injuring him so badly that he died within a short time. His mother is a resident of Wyoming, Ont.

from the fact that at the Emperingham Hotel alone there were 82 riggers.

The scores were in favor of the Little Yorks offset the win of the Thistles a few wago, making the score a tie and necessitating a play-off on some neutral ground in the near future. The game through was of the cleanest and full of excitement from start to finish.

Farcy Shaw, who a year ago went to Calgary, is visiting his parents here for a week. He reports the attendance on one of the fair days as 30,000, and school houses were used to accommodate the crowds.

L'AMAROUX.

Popular Young Organist Kindly Remembered by Choir and Congregation.

L'AMAROUX, July 18.—A social event and presentation at once delightful and well merited was the gathering at the "Poplars," the beautiful home of Mr. and Mrs. Alfred Mason, on Friday evening of the congregation and members of the choir of St. Paul's Anglican Church, when Miss Edith was made the recipient of a kindly reminder. Miss Mason has been untiring in the position of organist of the church, where she has rendered most efficient aid. On behalf of the congregation and choir, Rev. Mr. Fenning read the address at the same time making the presentation, that of the former being a dozen pearl handled knives and forks, and the latter a dozen silver fruit knives. Mr. Mason replied on behalf of his daughter in a few well chosen words, after which refreshments were served and a pleasant evening spent.

The address from the congregation was:

Dear Miss Mason—We, the members and friends of St. Paul's Church, take this opportunity to express to you our fullest appreciation of your faithful and self-sacrificing services to us and the church.

We have always found you willing to help, not only as organist, but in any other way that was for the advancement of the church.

And as a memento we ask you to accept this case, not for its value, but as a remembrance of our regard and esteem.

We also add to this our best wishes for your happiness and prosperity in all your future life, wishing you many happy returns of the day.

Signed on behalf of the church, Rev. James E. Fenning, Rector.

That from the members of the choir was as follows:

Dear Edith—We, the members of the choir, have felt it our duty and the duty of our approval of your kindness to us. We take the opportunity of expressing our gratitude towards you, which we ask you to accept, not for its intrinsic value so much, but as a mark of friendship, a something that will be remembered affectionately than words, and will serve as a reminder that your efforts were appreciated by us.

Signed on behalf of the choir, M. A. Armstrong.
