ALL THE NEWS OF THE SEASON'S SPORTS.

ABOUT JOE PAGE'S

BASEBALL TEAM.

A Fredericton despatch to the Montreal Herald says—There is a strong movement on foot to crowd Joe Page and his team out of the N. B. Baseball League. The feeling is that Page is butting in when he comes down to St. John to form a team, and says that he is going to place it in league to represent St. John, and to have other managers thrown down for the purpose of accommodating Page, when he is an outsider and others have been keeping the game going for years. The local club at the League meeting, will declare itself against allowing Page a franchise unless he can show that all other managers in St. John are willing to admit him to the circuit. It is felt that Page simply wants the St. John team as a second fiddle to his Montreal team and that if there is going to be any money in baseball this summer it ought to come to one of those who have been working hard to keep the game going for seasons gone by.

It is hardly probable that the above represents the feeling of the Tartar's Baseball Club, as in seasons past they have never shown a disposition to be afraid of any baseball team that came along. As for the suggestion that Page is usurping the place of local managers, it may be said that, with one exception, the new team will be composed of all St. John men, and Mr. Page's efforts to boom baseball here will meet with the approval of nearly everyone who is interested in good ball.

The statement that Mr. Page's Montreal team will require holistering up is absurd, and the fact that Mr. Page owns the Montreal team should give an impetus to the game here. At the time Mr. Page first mooted a team here, his was the only one in the field and the fact that he is endeavoring to give an impetus to the sport should be commended.

Have You One of Those Can't Taste, Can't Smell Colds?

If you have you had better get rid of it immediately. If you don't, that terrible and disgusting malady, Catarrh, is sure to take hold of you and make you miserable, and an object of repugnance to your friends. The best and quickest cure for your cold is

DR. WOOD'S NORWAY PINE SYRUP

It contains all the virtues of the Norway Pine Tree, combined with Wild Cherry Bark and the soothing and expectorant properties of other excellent herbs and barks.

Mr. Harry Mosher, Mosher's Island, N. S., writes—"We have used Dr. Wood's Norway Pine Syrup in our family for the past six years, and have always found it a reliable remedy for the cure of coughs and colds."

Many cases of substitution have been brought to our notice. Do not be humbugged into taking any other pine syrup which unscrupulous dealers say is just as good.

Dr. Wood's is the original, put up in a yellow wrapper, three pine trees the trade mark, and the price 25 cents.

night in the Y. M. C. A. parlors. Some members of the other teams were also present. It was decided that the name of the league be changed from Intermediate to the St. John Amateur League.

Practice will start next week, the Y. M. C. A. team taking Monday, the Jubilee Wednesday, and the Athletics Friday nights until the season starts. A Committee was also appointed to get out season tickets. Everything is about in shape now for opening the league season on the Victoria grounds May 16.

Notes of the Diamond.

Manager Griffith has let Pitches Holycross and Whiteley go to the Providence club of the Eastern League, of which Jack Dunn, the former ex-Giant, is manager.

Players who were arrested in New York for playing ball last Sunday have been released, as it was decided that no violation of the Sunday law was committed as no admission was charged to the game.

Many of the Cleveland players think that Clarke Griffith would have won the pennant last year had he placed more confidence in Putnam, the big southpaw. He defeated Boston on the last day in a 1 to 0 game and they think that, if Chester was rested a little more, Griffith would have pulled out a winner.

The drunken delivery, stop ball, fade-away ball, spit ball, whirling ball, and all the other things, including the good old-fashioned high fast one, will be on top now.

At the end of the season, the winners will be the pitchers with the strong arm, standard deliveries, stout heart and good heads. Only these will wear in the wash—Sporting Life.

TENNIS

The Tennis Championship.

London, April 15.—H. L. Doherty again won the covered court tennis championship today, defeating the challenger J. G. Ritchie, at the Queen's club by 6-0.

REV. MR. BOYLE'S SERVICES.

The pulpit of Trinity church was occupied yesterday morning by Rev. T. Stannage Boyle of Montreal, who is visiting the city at the request of the Brotherhood of St. Andrew. Rev. Mr. Boyle delivered an able and eloquent discourse on personal and national reverence to God, taking as his text, Daniel V. 41.

In the afternoon Mr. Boyle addressed a gathering of men in the Opera House. The pit was almost completely filled, and both galleries had a considerable overflow. On the platform were the chairman, H. J. Smith, Canon Richardson, Dr. Raymond, Canon DeLoraine, Rev. J. Smith, Rev. A. D. Dewdney, Rev. C. W. Hamilton, Rev. A. J. Prosser, W. M. Jarvis, Herbert C. Tilley, Dr. Robertson, D. Arnold Fox, J. N. Rogers, Thos. Patton and other gentlemen.

The meeting was opened with a hymn. Canon Richardson offered prayer and Rev. A. D. Dewdney read the scriptural lesson from Hebrews 12, 12-29.

Mr. Boyle was then introduced by the chairman and took for his subject Man's Birthright.

Rev. Mr. Boyle spoke in St. James' Church in the evening.

DOING GOOD WORK.

At the annual meeting of the Hebrew Immigration Society held yesterday morning, a review of the season's work was read, which showed that they have had a very prosperous year, and that much good was accomplished. During the winter eighty-six people were assisted, involving the expenditure of \$297. There is on hand a comfortable balance with which the society will be enabled to make a good start next year. The money subscribed during the past winter was all given by the local Hebrew community, with the exception of a small donation from the Baron Hirsch Society, Montreal.

ATHLETIC

A Canadian Entered.

Boston, Mass., April 14.—John T. Bushy, of North Sydney, C. B., is the only Canadian who is entered to run in the annual Marathon race of the Boston Athletic Association next Wednesday. Nothing is known of this runner's abilities. His coming intention to run, however, again gives an international flavor to the event. Michael Springs, of the Pastime Athletic Club of New York, who captured the event in nineteen hundred and four, will also be a combatant this year. Spring finished third in nineteen hundred and three, and hopes this year to repeat the record of J. J. Caffery, of Hamilton, Ontario, who ran third to Caffery and Davis, the Canadians, and the following year captured the first place trophy.

The Virginia, besides, went 250 miles farther than did the Bavarian on her record run. She travelled the extra miles in order to avoid ice.

INTERESTING BOUTS

FROM EVERYWHERE.

Gus Rubin After Hart.

Billy Madden is of the opinion that the only way that Marvin Hart can insist upon a match with Jim Jeffries is by meeting his man, Gus Rubin. The "Akron Giant" has accordingly challenged the Southern and is prepared to face Hart at either Baltimore or San Francisco, at any time or in any place Hart sees fit.

"Hart should not ignore Rubin," says Madden, "because the pair have already met, and I think Gus is the better man. Then a match between the two would be a good test for Hart, and would enable the public to get an excellent line on the qualities of Hart. Rubin is taller than Jeffries, has a long reach, and is an ideal heavyweight. Such a bout would attract a lot of folks who would want to see what Hart could do. If he succeeded in beating Rubin, Hart would be in a fine position to force the champion into a new fight. I have sent a challenge personally to Hart, but up to now, I have not heard from him. I'm sure that the California club will give the men a purse, Rubin is training now, so, if the bill is arranged it will not be long before the bout takes place."

Sullivan and Mitchell.

Philadelphia, April 14.—Eddie Hanlon and Young Corbett have been matched to fight in San Francisco the latter part of next month. The former received a telegram today from Morris Levy, the matchmaker of a club there, to start for the coast at once.

Hanlon and his brother, Dan, who have been living in this city for the last seven months, will leave here tomorrow for Boston, and after visiting relatives there will start next Monday for San Francisco.

Sullivan and Mitchell.

Tacoma, Wash., April 15.—The sporting editor of a Tacoma newspaper has, it is said, succeeded in matching John L. Sullivan, former champion pugilist of the world, and Charley Mitchell, champion boxer of England, for a twenty-round bout, Marquis of Queensbury rules, the battle to occur some time in May. When Mitchell was asked if he would meet Sullivan, the Briton replied: "Ask John; I will be ready to meet him any time, anywhere." Sullivan's reply was characteristic: "Will fight Mitchell ten, fifteen or twenty rounds, or for keeps, for a reasonable purse. Answer if he accepts."

The battle probably will occur at Tacoma, where boxing is permitted.

Billy Jordan Visits a Go.

Billy Jordan has written from board the British yacht, Victoria, expressing his readiness to meet Rev. McLeod at any place, if satisfactory arrangements can be made.

Wolfe, Miss Wolfe.

The Virginian is commanded by Capt. A. H. Vipond, formerly of the Tunisian, one of the most competent and best known commanders of the Allan fleet, and he has a splendid staff in the following officers:

Chief officer—E. Cooke, formerly of Tunisian.

Second officer—Mr. Smith, formerly of Tunisian.

Third officer—Mr. Gourley, formerly of Tunisian.

Fourth officer—J. Stewart, formerly of Tunisian.

Surgeon—Dr. J. Trumbull, formerly of Tunisian.

Chief Engineer—W. Martin, formerly of Tunisian.

Saloon stewardess—Mrs. Roberts.

The Virginian is not as elaborately appointed and artistically decorated in her saloons and other apartments as the Victorian, but she is very handsomely fitted and is said to be an exceedingly comfortable ship. She was greatly admired by all who were on board, and they were not many as the big ship was being unloaded and they did not want to be bothered by the crowds who were eager to see her.

She carried the passengers from Halifax on the steamer were—Mr. and Mrs. Hugh Allan and the Chief Justice of Nova Scotia. The Virginian was launched December 22nd, last on the Clyde, and is 12,000 tons burthen. Her dimensions are 540 feet length over all, 60 feet beam, and 41 feet depth. She has accommodation for about 1,650 passengers—470 first-class, 340 second-class, and 840 third-class.

A Halifax papers says—Capt. Vipond, of the Virginian, suggested the arrival that as the warships have apparently left Halifax for good, all the naval ships should be kept up so that a ship may not strike them at night.
