Prudential Agents are now canvassing in this vicinity. They have a most vital story to tell of how Life Insurance has saved the home, protected the widow, and educated the children. Let them tell it to you.

Book, the young man who is making a good impression at Boston's base, played for Bloomington, Ill., was sold by that club to the Toronto Indians, from which he was bought. He need only learn to shift to be a first-class first baseman.

Longboat is training at his wife's in Deseronto for his 20-mile race with Shrubbs at the Island, in Toronto, on Sunday night. The Indian is convinced that he is the master of the little Englishman at that distance, and intends to show Toronto admirers that he is still the champion of them all. Now that all his financial difficulties have been settled, Longboat has no worries but to get into condition, and he promises to be good and ready for Shrubbs on the holiday night.

The triumphing Shrubbs gave him at 15 miles in Montreal last Saturday rumbles in the Indian's breast, and he is determined to wipe out the defeat in the Island race. Shrubbs, on the other hand, is quite confident of repeating his 15-mile victory, and claims that the extra distance will not prevent him from winning. Shrubbs has been very anxious to race Longboat in Toronto, and the honor of winning here will compensate him for many happenings in the past.

The Island Oval will be well illuminated. The race is timed to begin at 8.45 p. m. The "oral" style of wagering is simplicity itself, says a New York daily. All that is required is for the bettor to deposit the necessary money with the bookmaker before he goes to the track. There can be no law against private conversation on the lawn and it will be easy for a silent quip to tell his bookmaker on which horse he wishes to wager. No tickets are exchanged and it all depends on the honesty of the bookmaker.

The following timely notice is being posted in many offices throughout the United States: "All requests for leave of absence owing to grandmothers' funerals, lame backs, house-cleaning, moving, sore throat, baby sick, headache, wedding, etc., must be handed to the manager not later than 10 a. m. on the morning of the game."

Cibot and Orphe, the French runners for the Victoria day Marathon, at Montreal, have arrived there, and are at the Turkish bath hotel. Both were pleased upon learning that the race was to be run on a cinder path. They say it suits them down to the ground.

Billy Sherring has been running twelve to eighteen miles every day, and is in top form. He arrived on Friday. Abbie Wood, Fred Meadows, Holmer, Billy Davis, Pat Dineen, Myers, Graham, Cole and Neuberger, together with the above mentioned, make up the best and largest field that ever started a race in Canada. Each man will have his own tent on the grounds, with the flag of his native country flying over it, for the use of himself and assistants, and no man may leave the track except opposite his own quarters.

Billy Davis, the Indian, from Hamilton, arrived and swelled up an already large entry list. The latest odds are: Wood, 2 to 1; Meadows, 3 to 1; Simpson and Sherring, 4 to 1; Holmer, Cole and Dineen, 8 to 1; Cibot, 6 to 1; Orphe, 10 to 1; Neuberger, Davis, Graham, Paule and Myers, 30 to 1.

Shortstop Enright has deserted the St. Louis team. It is said that his impending marriage to a California woman was the cause of his unceremonious leave-taking.

Sol Mintz, who is promoting the big race between Henri St. Yves against Coley and Sellen, at Toronto, wired from Toronto that the race has been postponed till Tuesday, May 25. No reason is assigned for the postponement.

IF YOU ADVERTISE

You need the 1909 Edition of the Canadian Newspaper Directory.

According to the 1909 edition of the Canadian Newspaper Directory, just out, Canada and Newfoundland can boast of 185 daily papers, 1,015 weekly or semi-weekly, 202 monthly or semi-monthly, and 14 published less frequently.

These figures can be relied on, as the Canadian Newspaper Directory is published by the oldest and largest advertising agency in the dominion. A. McKim, Limited, of Montreal and Toronto. This is the sixth edition of their directory, which fills a very real need in Canada, and deserves a place on the desk of every business man, whether he is an advertiser or not.

In addition to listing and describing Canadian periodicals, the directory supplies a comprehensive gazetteer giving the population, the chief industries, the railway, telegraph, banking facilities, and other interesting features of every newspaper city, town and village in Canada.

The book contains over 400 pages. It is splendidly bound and is certainly a credit alike to the publishers and to Canadian newspapers generally.

A. McKim, Limited, are particularly well qualified to edit and publish this standard book of reference on Canadian publications. They are the pioneers in the advertising agency field in the dominion. The McKim Agency having been founded in Montreal in January, 1889, twenty years ago, by Mr. Anson McKim, who is still at the head of the business.

During all that time they have been the acknowledged leaders in this line in Canada, and the agency business has been developed from a very small beginning—then performing only the functions of the middle man—to a very large producing enterprise which runs into the millions.

"Alfred Shrubbs seems invincible at fifteen miles. I stand ready to meet the Englishman and bet him \$5,000. I have run faster for fifteen miles than Shrubbs, and I can beat him. I'm willing to run Longboat, too."

The price, express or postage prepaid, is \$2.

KID DUFRESNE WON

He Defeated Alf. Lynch in a 15 Round Bout at Montreal.

Montreal, May 21.—Kid Dufresne, of Lewiston (Me.), was given the decision over Alf. Lynch, of Quebec, at the end of a fifteen round fight here tonight.

Lynch was the better man up to the seventh round, and seemed likely to win by the knockout route, when Dufresne came back strongly and established a lead in the second half of the battle. Dufresne fought at 122 and Lynch at 117. Dufresne had the better punch, while Lynch was the better boxer.

Care of the Feet

Much suffering from the feet may be avoided if a few simple precautions are conscientiously taken. Shoes not only of the right size, but of the right shape as well, should be worn. They should be thoroughly comfortable. If one has what is called tender feet, a sufficient quantity of antiseptic cotton should be placed over the sore spots when putting on the stockings. This is easily done if the stockings are first turned wrong side out and then drawn over the foot. The cotton acts as a pad and prevents the shoe from rubbing. When your feet ache dip them in warm water for awhile and then rub them while still wet with white vasoline. It softens the flesh. An application of talcum powder afterwards is very refreshing.

In a special letter to a Buffalo friend, Billy Sherring, the famous Hamilton, Ont., runner, winner of the Marathon in Greece, three years ago, states that he is willing to back himself against any man in the world at long distance running, and will bet \$5,000 on his chances.

"This challenge is not aimed at anyone in particular. I will run St. Yves a Marathon, and I can get backing for \$10,000 that I can beat him. I'm willing to run Longboat, too."

"Alfred Shrubbs seems invincible at fifteen miles. I stand ready to meet the Englishman and bet him \$5,000. I have run faster for fifteen miles than Shrubbs, and I can beat him. I'm willing to run Longboat, too."

A BOY OVERBOARD IN WALKER'S SLIP

Jack Stevens Received an Impromptu Bath in the Harbor Yestereay

Jack Stevens, the fourteen-year-old son of George Stevens, of Erin street, had an impromptu bath in the harbor about 1.45 yesterday afternoon. With several other lads it is said he was engaged in the old fashioned game of playing truant, though when questioned by the policeman on the beat he said that he had come down to see about the West India steamer. But Walker's slip is quite a distance from that steamer's dock, so the policeman was not inclined to put much faith in his story.

Their play led them toward Walker's wharf, where a small raft moored at the head of the slip attracted their attention. It was high tide and the raft was easily accessible from the wharf. One of the boys got on it and was having a great time pushing it out as far as possible and bringing it back again. Stevens started to jump on the raft also but as he jumped

the boy on the raft pushed it out, leaving a gap between the wharf and the raft. Stevens fell short and in he went.

The cries of the others attracted men from C. H. Peters & Sons' warehouse but by the time they arrived the youngster had gained the raft all right himself. He was taken to Messrs. Peters' office, where he dried his clothes by the fire and left for home about 3 o'clock not much the worse for his experience.

NOW HE'S SORRY THAT HE ASKED

Mr. Newwood—What would you do, dearie, if I should die?
Mrs. Newwood (sighs)—I hate to think of it, darling. I should be grief-stricken—until some good, big, affectionate fellow like you should come along.

Kidney Comfort In Old Age

When old age creeps on it is usually derangements of the kidneys that cause discomfort and suffering. The kidneys seem to play out sooner than the other organs. You know this by the backache, pains in the limbs, deposits in the urine, frequent urination, and pain and smarting when passing water.

With the kidneys inactive the whole system becomes poisoned and where there is poison there is pain and such torturing ailments as rheumatism, lumbago and stone in the bladder.

Dr. A. W. Chase's Kidney-Liver Pills bring comfort to the aged by invigorating the kidneys, enlivening the liver and regulating the bowels. They thoroughly cleanse the filtering and excretory systems, improve digestion and purify the blood. Most kidney medicines fail because they do not regulate the liver and bowels as well as the kidneys.

Mr. E. K. Caldwell, auctioneer, Kentville, N. S., writes: "Some years ago I was troubled with pains in my back and had all the symptoms of kidney and liver troubles. I used Dr. Chase's Kidney-Liver Pills and they entirely cured me of these ailments. Now whenever I need a laxative or in fact whenever I am not feeling as well as I should I use a few of these pills with excellent results."

"I am getting up in years and firmly believe that I owe my present good health to this medicine. I can most heartily endorse Dr. Chase's Kidney-Liver Pills."

Dr. A. W. Chase's Kidney-Liver Pills
Owe their phenomenal success and enormous sale to the fact that they promptly and thoroughly regulate the bowels, the liver and the kidneys and therefore cure the most complicated derangement of these organs.
