SUPERIOR PAINLESS DENTISTRY!

"There is a world wide cry against the dentists that they torture their patients. Those of strong physique submit and endure the agony. With a second class this is simply impossible, and thousands of teeth are neglected and lost even though the patients may be able to pay for our most skillful services. Then there is a third class who, after months of mental torture in anticipation, finally come into our hands, and, with nerves strung to a hurtful point, pass through the ordeal, but at what a cost! We do not sufficiently consider the consequences of shock in the dental chair, yet undoubtedly many suffer for months and even years from injuries to the nervous system received whilst in our hands.

The greatest duty of our profession today is to discover and adopt a mode of painlessly performing our operations."

NOTE—The above is an abstract from a paper read by an eminent dentist of New York City before a society of dentists in Philadelphia.

The famous Hale Method of painless dentistry, for which we are sole agents for Canada is the best Method on earth.

"Thirty years ago," says the Bangor Commercial, of Oct. 16, 1909, "one of the most brilliant and fashionable weddings which has ever been held in our state occurred in this city this afternoon, when Miss Mary Freeland Prentiss of this city became the bride of James Murray Kay, of St. John, N. B. The bride was escorted to the altar by her brother, Harry Prentiss, and the groom by John S. Jenness of this city. The bridesmaids were Miss Bessie Clark of Bangor, Miss Constance Kimball of Paris and Miss Edith F. Smith of Portland. Rev. Arthur May Knapp of Cambridge, Mass., formerly of this city, performed the ceremony." Mr. and Mrs. Kay are now living in Brookline, Mass.

Y. M. C. A. TO HAVE BOWLING ALLEYS

The board of directors of the Y. M. C. A. has decided, much to the satisfaction of the members, to install bowling alleys in the building. A committee has been appointed to make arrangements and to proceed in the matter, and the work will be pushed as rapidly as possible. The committee will meet as soon as convenient and will go ahead with the project at once. This will prove an additional feature of great interest to the already excellently equipped "gym" and will, no doubt, be well patronized.

In the Y. M. C. A. building, on Saturday afternoon, there was a very large attendance of representatives from different churches in the city at the special class conducted by Rev. G. A. Kühring for Sunday school teachers. Yesterday's classes were also well attended, both in the morning and the afternoon. The afternoon Bible class was conducted by Mr. Kingston, and there was a large number present.

On Tuesday, Thursday and Saturday of this week the competition for grading open to all boys who did not take it with the seniors, will be in order.

The membership contest will open today and promises to be interesting. Instead of dividing the members as was done last year into "reds" and "blues," a change was made this year, and they were divided into two sections, one composed of single men only, captained by F. T. Barbour, and the other consisting of married men, under the leadership of A. H. Lively. The contest will end on Nov. 1 with a social and reception in the association building.

SATURDAY'S TROUBLE AT BASEBALL GAME

Police Court Proceedings—The Arrest of Ramsay and Kelley—Adjourned Till Tomorrow

In the police court this morning, Ramsay, charged with acting disorderly, resisting and assaulting the police, came up and, after several witnesses were examined, it was stood over until 2 o'clock tomorrow afternoon. The court room was crowded this morning, when the hearing commenced, many faces familiar on the diamond throughout the summer, being seen among the spectators.

E. S. Ritchie appeared for Ramsay and also for Michael Kelley, charged with interfering with the police in the discharge of their duties. Mr. Ritchie said that it was his intention to have both cases tried together, but Kelley desired to have them heard separately, so this was done.

Ramsay pleaded "not guilty" to the charge against him, and the case was before the court.

Policeman Crawford swore that between 4 and 5 o'clock on Saturday on the Shamrock grounds, he was called to the bench on the grounds by David Donald, who asked him to remove Ramsay from the place, as he was abusing him, and creating a disturbance.

Ramsay said "No, you dirty cur, you can't take me." A lively encounter between them ensued, in which the witness threw Ramsay to the ground. The crowd then surged in and encouraged the defendant to resist. While they were tussling, Ramsay called the witness "a big stiff," and said "all right, Dave, I'll fix you for that."

The witness was cross-examined by Mr. Ritchie, but nothing new was brought out. David Donald, manager of the Marathon team, testified that while he was sitting on the bench on Saturday afternoon on the Shamrock grounds, Ramsay came and sat alongside of him, and began making remarks about the game. The witness said he then ordered him away, and when he would not go, the policeman was called, and Ramsay was placed outside the grounds. Ramsay called the witness "a big stiff," and said "all right, Dave, I'll fix you for that."

Donald swore that Ramsay struck the policeman who had by this time placed him under arrest. The crowd was gathered about the pair, and some were passing remarks. No person offered assistance until the witness asked Dr. Malcolm and Mr. Bradbury to give aid and hold Ramsay, while policeman Crawford arrested Kelley, saying that he had kicked him.

Dr. Malcolm corroborated the evidence already given. He said that he asked Ramsay to go outside and settle the matter peacefully, which the defendant agreed to do. Just then the policeman came along with Kelley hooked on to his left arm. Ramsay, seeing this, said "if you are going to arrest him, you'll have to take me, also," and joining the couple, he went outside and settled the matter peacefully. Harry McGonigle was called on a witness, but was not in court. The case was adjourned until 7 o'clock tomorrow afternoon.

Ramsay was allowed out on a deposit of \$88, and Kelley of one of \$80.

JUDGE RITCHIE ON LIQUOR DRINKING

Police Court Incidents of This Morning—One Prisoner to Interdict List

Two prisoners on drunkenness charges, faced Judge Ritchie this morning, and their presence occasioned some remarks on drinking, liquor, and liquor sellers, from his honor.

In the case of Jeremiah Barrett, charged with being drunk on the C. P. R. track, off Rodney wharf, his honor said that steps would be taken to have him placed on the interdict list which, said he, "means saving you from yourself. I see you or three in the crowd before me who smile when I say this, thinking it is hot air probably, but if they are not on the bench before the week is out, I am much mistaken."

Frederick Chapman, found in an intoxicated state in Bridge street about 5 o'clock yesterday, was fined \$8. Judge Ritchie said that he expected to see the space on the bench fully taken up when he came this morning, judging by the number of men he had seen in the streets intoxicated yesterday—young men who might be a help to the community but for liquor. He would sooner get after the vendors of the run than the drinkers.

Albert Nugent was fined \$8 for being drunk on Saturday afternoon on the Marsh bridge.

ST. LUKE'S CURATE WEDS IN TORONTO

Rev. J. E. Purdie and Miss Frances E. Morrison, Married Last Week

A wedding in which many St. John people will be interested, took place in Toronto on Wednesday afternoon, October 13, at 2.15 o'clock, when Rev. J. E. Purdie, curate of St. Luke's church, north end, was married to Miss Frances E. Morrison, of Brantford, Ont. Rev. Dr. O'Meara, principal of Wycliffe College, performed the ceremony in the Wycliffe College chapel. Rev. Professor Hallam acted as groomsmen and Miss Benbow was bridesmaid. After the ceremony a reception was held at the Church of England Descones and Missionary Training House, of which the bride was a graduate.

After a two weeks' tour in Brantford, Hamilton and Burlington, Mr. and Mrs. Purdie will leave for their home in this city.

The announcement of Rev. Mr. Purdie's wedding will cause pleasure to his many St. John friends, and a hearty welcome is extended to the bride and groom on arrival here.

During the 11 o'clock service in St. John Presbyterian church on Sunday, the pastor, Rev. J. H. A. Anderson, referred to the death of a former member, Mrs. Henry Murphy, who died in Sacramento, Cal., on Oct. 4. Rev. Mr. Anderson said, while he did not make a practice of referring individually to the deaths of members of his church, he thought that Mrs. Murphy deserved any kindly reference he might make. Mrs. Murphy was an elder of St. John's Presbyterian church for many years.
