HAD WEAK HEART

HAD TO STAY IN BED

Many women are kept in a state of fear of death, become weak, worn and miserable, and are unable to attend to their household, social or business duties, on account of the unsatisfactory action of the heart.

To all such sufferers Milburn's Heart and Nerve Pills will give prompt and permanent relief. They do this by their calming, strengthening and invigorating action on the heart, causing it to beat regularly and naturally, and in addition to this they tone up the whole nerve system.

Mrs. J. Day, 234 John St. South, Hamilton, Ont., writes: "I was so run down with heart trouble that I could not even sweep the floor, nor could I sleep at night. I was so awfully sick sometimes I had to stay in bed all day as I was so weak. I used three and a half boxes of Milburn's Heart and Nerve Pills, and I am a cured woman to-day, and as strong as anyone could be, and am doing my own household work, even my own washing."

Dr. doctor for over two years, but got no help until I used your pills."

Milburn's Heart and Nerve Pills are 50c per box, 3 boxes for \$1.25. They can be sent at all drug stores or dealers, or will be mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

Sentiment Makes A Pleasant Sauce

Christmas Plum Pudding and Its Relation to Modern Business.

Plum pudding (of any sort) will be eaten on Christmas day with the keenest relish. The sauce of sentiment will make up for some errands in the cuisine. Once there was an old gentleman who was fond of boiled puddings. His wife left one in the pot for him, and when he returned asked how he liked it. "Fine," he replied. "Where is the cloth?" she inquired. The old man looked up with surprise. "Where there a cloth on?" Sentiment had clouded his taste. Sentiment clouds other tastes. For example there are people in Canada who would have none but an American pianoforte. And yet there is a Canadian instrument, made in Toronto, which is as good as science can build or money can buy. The Goulay Piano has been on the market for twelve years. In that time it has won high fame as being dependable, sweet toned and beautiful. The Goulay, Winter and Leeming Company determined from the beginning that no extreme forms of advertising would be undertaken to bring the instrument to public notice. For that reason, no traveling artist was ever supplied with a Goulay in return for a favorable notice. No Toronto studio received free Goulay Pianos in return for an occasional kind word. The business was placed on a solid commercial basis. The Goulay was found by the public to be a piano of supreme merit, and its success on the Canadian market was assured. Those who have not had an opportunity to examine the Goulay Piano would do well to call at the Landry & Co. warehouses, 60 King street.

This condition is best overcome by using Dr. Chase's Nerve Food. It builds up the food and there are combined in concentrated form the elements that go to form new red, rich blood. The appetite is sharpened, digestion improves, color and strength return, and you rid yourself of weakness and nervous and despondent.

LADIES! LOOK YOUNG, DARKEN GRAY HAIR

Use the Old-time Sage Tea and Sulphur and Nobody Will Know

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks dry, wispy and straggly, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred fold.

Don't stay gray! Look young! Either prepare the tonic at home or get from any drug store a fifty cent bottle of "Wyeth's Sage and Sulphur Hair Remedy." Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully and removes dandruff, stops scalp itching and falling hair; besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, the hair color is restored and it becomes thick, glossy and lustrous, and you appear years younger.

MORNING WAR NOTES

Two Italian steamers have been sunk in the Adriatic Sea by drifting mines. A German submarine has been sunk in the Black Sea and a Turkish torpedo boat has been sunk in the Sea of Marmora by the British. The Turkish cruiser "Sultan Selim," formerly the German "Goeben," was torpedoed but not badly damaged. The super-Zeppelin L-29 is reported to have been destroyed by an accidental bomb explosion as it was leaving its shed at Schleswig, according to a Copenhagen report. The Kaiser has returned to Berlin after a visit to the several German fronts. Reports from Vienna indicate that the Austrian admiralty will not disavow the sinking of the Italian steamer Ancona, as requested by the United States.

MORNING NEWS OVER THE WIRES

According to statistics compiled by church authorities in Toronto fifty per cent of Presbyterians of the Presbyterian churches in Canada have given a majority of 23,770 for union with the Methodist and Congregational churches. The vote given so far is 75,172 for and 22,422 against. According to a report from Fredericton the fall exhibition shows a surplus of \$2,002. Captain Smith of the Royal Flying Corps was burned to death yesterday while firing an aeroplane at Farnborough. While in the air the machine burst into flames and the pilot succumbed before he could reach the ground. "Don't you want to grow up and be a man, Jimmie?" "What's the use. All the other boys will grow up, too, and I'll be just as hard to lick 'em as ever."
