MARGARET STEEVES LEADS HIGH SCHOOL

Closely Followed by Nan Coleman for Grade XI Honors

With Honor List of Twenty-one in a Total of 95 the Years' Showing is Particularly Good—Program for Closing.

With an honor list of twenty-one in a class of about ninety-five, this year's graduating class of the St. John High School has considerably overshadowed last year's, when the honor list was seventeen in a class of 116. In addition to this, the grade 12 class for this year is the largest in the history of the school.

After keen competition, Miss Margaret Steeves, daughter of Mrs. Maude Steeves, 17 Chipman Hill, led the class with an average of 92.61 per cent. in her Grade 11 examinations. Miss Nan Coleman, who took second place, gave Miss Steeves a hard fight throughout the year and there was considerable interest in the final outcome. Miss Coleman's average was 92.43.

The list of graduates had not been completed up to 8.30 o'clock this afternoon, some corrections being necessary in some names.

The closing exercises this year will be held in the Imperial Theatre, commencing at eleven o'clock on Friday morning, and will be open to the public. Some 400 seats will be reserved for the pupils of the High School and boxes will be reserved for the Mayor and commissioners and members of the Board of School Trustees, but the rest of the seats are free to anyone desirous of attending the closing. The decorations will be entirely in the hands of the management of the theatre, and the class motto will be displayed on the platform where the graduates will be seated. The programme will be as follows:

Music by High School orchestra.
Entrance of the graduating class.
Chorus, "O Canada."
Valedictory, Miss Margaret Steeves.
Address and presentation of diplomas, Chief Justice H. A. McKeown, chairman of the Board of School Trustees.

MAYOR WRITES ABOUT THE FALLS BRIDGE MATTER

Asks Attorney General if Province Means to Appeal—Affects Grade Crossing Project.

Asked this morning if the decision rendered by Judge Grimmer in the C. P. R. bridge matter would now clear the way for the city to proceed in connection with the elimination of the grade crossing at the end of Douglas avenue, Mayor Fisher said that he had written Hon. J. P. Byrne, Attorney General of the province, and until a reply was received he thought that it would be unwise to take any further steps. He hoped that Mr. Byrne's answer would remove any doubt as to whether or not the province proposed appealing the case. Should the province decide not to follow the matter any further, the city would be in a position to resume negotiations with the C. P. R. and the Board of Railway Commissioners for Canada in connection with the construction of an overhead crossing.

Commissioner Frink said today that he was looking into the matter to ascertain where it stood when the court case developed and as soon as something definite was decided upon he was ready to go ahead with surveys, etc., for the work. He said that it was practically certain that the grade crossing would have to be removed.
