SAGE TEA DANDY TO DARKEN HAIR

Look years younger! Use the old-time Sage Tea and Sulphur and nobody will know. You can turn gray, faded hair beautifully dark and lustrous almost overnight if you'll get a bottle of "Weyth's Sage and Sulphur Compound" at any drug store. Millions of bottles of this old famous Sage Tea Recipe, improved by the addition of other ingredients, are sold annually, says a well-known druggist here, because it darkens the hair so naturally and evenly that no one can tell it has been applied.

While girls are envying other peoples beautiful hair they could have their own by using Neubro's Herpicide. Sold at all Drug Stores.

Eyesight Dim? If your eyesight is dim, your vision blurred; if your eyes ache, itch, burn or feel dry, get a bottle of Bon-Opto tablets from your druggist, dissolve one in a fourth of a glass of water and use to bathe the eyes from two to four times a day. Bon-Opto has given stronger eyes, clearer, sharper vision and relief to thousands.

MOTHER! CLEAN CHILD'S BOWELS WITH "CALIFORNIA FIG SYRUP"

Even a sick child loves the "fruity" taste of "California Fig Syrup." If the little tongue is coated, or if your child is listless, cross, feverish, full of cold, or has colic, give a teaspoonful to cleanse the liver and bowels. In a few hours you can see for yourself how thoroughly it works all the constipation poison, sugar bile and waste out of the bowels, and you have a well, playful child again.

SUFFERED SINCE HER CHILDHOOD

New Brunswick Woman Says She's Like a Different Person Since Taking Tanlac.

"I began to have stomach trouble when I was a child and never was able to get any real relief until I began taking Tanlac," said Mrs. Sandy F. Flewelling, Clifton, N. B. "I had every symptom of indigestion that anybody ever had; gas on the stomach, pains through my chest, choking and smothering spells and palpitation of the heart. At other times there was a awful burning through my chest and throat and a terrible gnawing sensation in the pit of my stomach. A few headaches came on me regularly, I had nervous spells, too, and often would lie awake nearly all night long.

MAY LEGISLATE AGAINST IDLERS

Edmonton, Oct. 10.—Non-workers will not find any encouragement for loafing in Edmonton this winter if plans to revert to the anti-loafing regulations of the War Times Measure are carried out. The provincial government, it is believed, is considering the enactment of such a law and a plan proposed to tabulate the industrial career of every man who is out of work. Under such a scheme the city would not employ men who had refused work in other places. In this way it is hoped to discourage idlers, making the handling of the local situation easier in the way of helping boni-fide citizens who are without employment.
