LOCAL NEWS

NO GAME
Owing to the inclement weather, the game between St. Georges and Commercial, scheduled for the west side diamond tonight, has been postponed.

FOR THE HEALTH CENTRE.
Plans for the tag day for the Health Centre are being perfected and the interest manifested is very general. The central committee is in daily session at the Board of Health rooms.

OFF UNTIL TOMORROW.
The N. B. Tennis tournament at Robbsey was not begun this morning, owing to weather conditions. The first day events were set over for tomorrow. Players have arrived from Sackville, Moncton and Fredericton.

ABLE TO LEAVE HOSPITAL.
Policeman McNeill who was injured some time ago while stopping a runaway in Mill street has been allowed to leave the hospital though it will be some time yet before he will be able to resume his duties. His leg, which was broken, is still in a cast.

\$10,855 COLLECTED IN FINES.
In the seven months from January to July 31 of this year the sum of \$10,855 has been remitted to Fredericton, having been collected in fines under the prohibition act. The amounts by the month are as follows: January, \$1,700; February, \$1,600; March, \$1,720; April, \$1,060; May, \$1,750; June, \$1,230; July, \$1,775.

THE MAYOR AND HYDRO.
Mayor McLellan announced this morning that he would in all probability present his report on hydro at the weekly council meeting tomorrow. He said that a discussion of the question could take place at a committee meeting. He said he was changing the character of his report and would not give away all of his ammunition at the start, but would reserve a little so as to have some left to fight with.

OUR GOOD ROADS.
Dr. G. G. Corbett and family have returned after an extended tour of New Brunswick, having visited Fredericton, Newcastle, Campbellton, returning to Moncton via Truro. The roads, except for new bridges and some new roads, the doctor reports, are in excellent condition, and he adds that our highways will soon be the superior of any in Canada if our present rate of road-making keeps up. No part of America, he says, has finer roads or more level for so many miles than the road from Campbellton to Shediac. This information he said he sent to tourists, as many judge New Brunswick by the condition of roads between St. Stephen and Moncton. He said that which roads are in process of being made good.

THE LATE CHARLES EARLE.
Many learned with regret of the death of Charles Earle, 57 Pokok road, which occurred on Sunday evening in the General Public Hospital, following an accident at the lime quarry of the Stetson, Cutler Co. Mr. Earle was in the fifth year of his age. Besides his wife, he is survived by three sons and four daughters, one grandchild and three brothers. The sons are Roy, Harold, Ernest and Harold. The daughters are Mrs. W. L. Hope of Albert county and Gladys, Hazel and Doris all at home. The grandchild is Charles Hope. The brothers are Robert of Brookville, George and Thomas, both in this city. All will have the sympathy of many friends in their great loss.

BARREL ROLLERS HERE.
Lawrence McDuff and Horace Negus of Amherst, N. S. arrived in the city this morning on route to Woodstock, to start once on their continental trip, rolling barrels ahead of them. It will be remembered that these young men passed through the city once before and planned to pass through the State of Maine to Montreal. At Houlton, they were held up by the United States authorities who informed them that they could not sell cards while in the States. They returned to Amherst, but now they will take the route from Woodstock through Victoria and Madawaska counties to Quebec and thence through the prairie provinces to Vancouver, an all Canadian route. The hikers expect to go to Woodstock tonight, and will pick up their barrels tomorrow.

THE KNIGHTS TEMPLAR.
The privy session of the Knights Templar will open in Halifax this evening at 7:30 with a church parade. The parade will leave the Halifax Hotel and proceed to Fort Massey church where service will be held. The service will be conducted by R. E. Sir K. Gev. G. A. Woodside, D. D. Grand Prelate, and there will be special music by the M. unie choir. The Knights Templar will be in uniform on parade. Those who will be in Halifax for the session of the Great Sovereign Priory will include members from Belleville, Brantford, Chatham, Ont., Cornwall, Calgary, Edmonton, Fort William, Kingston, Montreal, Moncton, Moose Jaw, Ottawa, Quebec, Toronto, Vancouver and many other Canadian cities. The Halifax Echo says those going from St. John will be W. R. White, M. Sawaya, W. J. McChervy, R. E. Crawford, R. Rowan, Horace A. Porter, Capt. and Mrs. Bennett, and Dr. Bridges.

ST. JOHN WAS REPRESENTED

Postal Porters and Transfer Agents Form a Dominion Association.

Toronto, Aug. 7.—A convention of the Postal Porters and Transfer Agents Association to form a dominion-wide body was held in Toronto on Saturday. Delegates representing Halifax, St. John, Moncton, Sackville, Truro, Fredericton, Ottawa, Toronto and the west were in attendance. An organization was formed with the following officers: President, W. Brown, Toronto; vice president, G. A. L. McLeod, Moncton; secretary-treasurer, G. King, Ottawa; and an executive of seven members. All the branches of the postal employees are now organized with a dominion federation embracing each separate association.

Brothers Drowned.
Cartwright, Man., Aug. 7.—Murray Gemmill, aged 11, and his brother, D'Arcy, aged 9, were accidentally drowned while bathing here on Saturday.

DELEGATIONS AT CITY HALL

Wider Roadway at Haymarket Square.

Two delegations appeared at a committee meeting of the common council this morning, one representing the War Memorial and the other business men and citizens from Haymarket Square and Prince Edward street. R. T. Hayes and Mrs. Vroom appeared on behalf of a sub-committee of the war memorial. Mr. Hayes explained that their object was to place the matter before the council to seek their support and co-operation. He explained that they are receiving sketches of arches and shafts. Much would depend on the acquiring of a proper site. He said the matter had been discussed at a large meeting of citizens and that the majority were strongly opposed to having anything of a utilitarian nature erected. If they could secure a site on King Square where the present fountain stands they favored an arch.

Mrs. Vroom explained that it was at the solicitation of a large number of citizens that the Daughters of the Empire decided to take the initiative in the move to have a memorial erected. Mayor McLellan assured the delegation that the matter would be given careful consideration and they could be assured of co-operation. He expressed an opinion favoring a civic centre where public gatherings could be held, where question of the day could be discussed, and citizens would not have to depend on the newspapers as the only medium.

The second delegation consisted of Rev. O. P. Brown, H. L. McGowan, Edward Walsh, Frederick McInerney and William L. Walsh, who presented a petition signed by residents of Haymarket Square and Prince Edward street, asking that the roadway on the southern side of the square be widened and that a better lighting system be placed in Prince Edward street. Mr. Walsh and Rev. Mr. Brown spoke. The former said that the time was opportune for widening the street as a new pavement was now being placed there. He said it would not entail a great deal of extra work or expenditure to do away with a sidewalk running along the square and utilizing this space to widen the street. He spoke of the great congestion and the inconvenience to pedestrians and traffic in general. Rev. Mr. Brown also spoke along these lines.

Commissioner Frink told of a survey being made there and how this project had been taken under consideration and was not considered advisable. He brought the matter to a head by moving that the engineer be instructed to bring in a report at the earliest possible moment dealing with the suggested change and the additional expenditure. Commissioner Thornton said that he appreciated that Prince Edward street was not properly lighted, but that he had no appropriation for additional lighting. Mayor McLellan remarked that it was folly to talk of further expenditure on the old lighting system. He said that the city should be lighted.

Power Company Bill.

The delegation then withdrew after being assured the matter would be given every consideration. Mayor McLellan presented the following resolution, which was passed unanimously: That the order of this council on 26th July last which requires the chamberlain to credit the account of the New Brunswick Power Company of \$9,854.85 against amounts due the city under an agreement for paying the changed so as to provide that the said amount be credited against taxes instead.

Communication was received from T. McAvity & Sons, Ltd., asking that a check that they sent with a tender be returned as they had not received the tender. The request was granted. Commissioner Bullock asked for authority to pool the ferry estimates. The motion was seconded by the mayor and was passed unanimously.

Tenders for opening a trench in Metcalf street were opened. Three were submitted as follows: N. J. Lahood & Company—Rock, \$5.98, earth, 99. J. A. I. Simon—Rock, \$6.25; earth, \$1.05. Sabb & Company—Rock, \$5.90; earth, 36.

These were submitted to the commissioner of water and sewerage to report back. Tenders for sewer pipe were also opened as follows: T. McAvity & Sons—Nine inch, 42c; twelve inch, 57c; fifteen inch, 69.12c; eighteen inch, \$1.25; thirty-six inch, \$3.60; joints, \$1.80. Gandy & Allison—Nine inch, 47.14c; twelve inch, 76c; fifteen inch, \$1.18; eighteen inch, \$1.40; joints, \$2.05. James Robertson & Co.—\$42.40 per hundred for nine inch; \$67.25 for twelve inch; \$89.90 for fifteen inch; \$126.83 for eighteen inch; \$87.68 for thirty-six inch terra cotta. Nine by six terra cotta connections, \$3.42. On motion these were referred to the commissioner of the water and sewerage department to report back.

Tenders for placing a surface on the South Market wharf were received as follows: Stephen Construction Company—\$2.30 a square yard for bituminous concrete pavement; \$1.85 for foundation; 20c. for tile drains; \$2.75 for straight granite curbing and \$3 for circular; asphalt walk, \$2.80.

The second tender was from the public works department and it caused some comment. The figures follow: Bituminous concrete pavement, \$1.75; foundation, \$1.36; granite curbing straight, \$2.40; circular, \$2.70; asphalt walk, \$1.15; drains, 15c. Commissioner Frink explained that the city engineer had asked the road engineer if they could do this work and he said they could. As a result of a conversation with him a tender had been submitted. He explained that he had only about \$80,000 left of his appropriation and this must be stretched out until next January. He said he had to keep his men at work and felt this was a good means of doing so. The tenders were referred to Commissioner Frink.

MONARCH YARNS

A Yarn for Every Purpose
We Have Just Received a Shipment of Monarch Down, Monarch Dove and Monarch Floss in All the New Shades

Hand knitting has so developed and widened in scope that it now embraces the making of innumerable articles of wearing apparel and novelties. Because of this new ideas have been brought forth one after the other in rapid succession. As the art of knitting developed Monarch yarns became more and more recognized for their satisfaction, both in the knitting and in the wearing which follows. They are made to produce the results which the knitter seeks.

OAK HALL
SCOVIL BROS., LTD.
KING STREET

Sweet is the sleep of oblivion, but sweeter still is the sleep that comes when one drifts into dreams with the happy impressions of a beautifully furnished room still in one's mind. The beauty of such a bedroom soothes and rests and makes the dream hours sweetest of all—a blessed retreat where the noise of the street is unknown. And all of this is not merely for a fortunate few, but is within the reach of practically everyone who strives to achieve it. Some of the new bedroom suites we are showing are not at all expensive, and, while up to date in design and beautifully finished, are built to meet the demands and suit the purse of the average home. A look through our stock will interest any homelover, and visitors are always welcome.

Our immense stock is always at your disposal for information or price comparisons.
