FIRST OF GIRLS' CLASSES.
The first of the classes in leadership for the Canadian girls in training programme which aims at the four-fold development of girls along religious, social, physical and mental lines, was held last evening in the new Y. W. C. A. home in King street under direction of Miss Yeomans, Y. W. C. A. girls' secretary. Between fifty and sixty were enrolled in the class, a number which has made it necessary to arrange for two sets of classes each week, half of the enrollment to be instructed on Wednesday afternoons and the other half on Thursday evenings. Those who have joined the class are largely teachers, Sunday school teachers and the older girls of the Sunday schools. Last night the discussion dealt with the character and needs of teen age girls and many practical questions and suggestions were given. In considering the reading matter chosen by teen age girls in St. John the opinion of the meeting was that about ninety per cent of the books read by teen age girls in St. John is "trashy" fiction.

ENJOYABLE EVENING.
The sing-song and social given by St. David's congregation to about seventy-five soldiers, sailors and returned men last night was a most enjoyable entertainment. Sergt-Major Oliver had the duties of chairman to perform, and he announced the various items of the programme which were all heartily applauded and included songs by Mrs. Osborne, Private Dent, Sergeant McNiven and Harry Shaw. Refreshments were served and when they had been done full justice to, Miss Marion Crook shank acted as the pianist for the grand sing-song which continued the pleasure of the evening for some time. Both hosts and guests found the evening all too short.
