MUST HAVE DANZIG OR WAR IS LOST

Paderewski Says Neutralization Will Not Do; It Has Been a Failure

Paris, April 8.—(By the Associated Press)—After conferences yesterday with Premier Clemenceau, Foreign Minister Pichon and Col. House, Jan Ignace Paderewski, the premier of Poland, told the Associated Press that he was somewhat reassured about Marshal Foch's agreement concerning the moving of troops through Danzig.

"Our information throughout Poland," said M. Paderewski, "was based largely on the German version of the arrangement made at Spa; consequently, the Poles regarded it as a surrender to the German terms. As the matter has been explained to me today by the Entente officials, it looks very different, of course."

"I appreciate the necessity of getting troops from France to Poland as rapidly as possible, and I see that we have been misled by the German propaganda."

ists, who are working by the thousands in Poland. Replying to an inquiry as to whether he felt that the principle of the right to land Polish troops at Danzig had been maintained, Paderewski said: "We are uncertain still and not satisfied with the status of the negotiations concerning Danzig. If Poland is not given Danzig, the war is lost. Leaving Danzig in Germany's hands would mean the defeat of all the armies which participated in this great war."

Asked if the neutralization of Danzig would be satisfactory to Poland, Paderewski replied emphatically in the negative. "We have seen how the neutralization of Danzig works. The whole world knows what a failure that was in the past. It would be the same again."

The STORE HAS BLOSSOMED INTO SPRING AND EASTER DECORATIONS

What a difference between door closing today and door opening time tomorrow. To early shoppers it would seem as though Magi and their aides have been at work practising spells.

The store tomorrow will be laughing with the very joyousness of spring and Easter. Glorified with lavish decorations of beautiful spring flowers, while here and there the music of feathered songsters adds charm and pleasure to the scene.

This transformation is merely an emphasis that spring shopping season is here, and also of the fact that in these Dykeman fashion displays are presented lovely and exclusive styles in suits, gowns, coats, and fine dress accessories that are worthy of the smart shops of the city.

The spring and Easter shopping season is here and the store splendidly ready, when you're ready, to give you the very best to be matched outside the largest cities.

DOMINION STEEL WINS IN ENGLISH COURTS

Will Get Ships Chartered on Favorable Terms Before War—Affects Coal Transport

Montreal, April 8.—Cable advices from London yesterday stated that a case brought by the Dominion Steel Corporation in the English courts to force the

owners of several ships, under charter when war broke out in 1914 to the Canadian concern, to carry out their contracts, has been decided in the corporation's favor.

The court has ruled that the owners must return the vessels to the company until the expiration of the charters, which are for long terms, just as soon as they are released from government service. It is understood that the charters are very favorable to the steel corporation and the return of the steamers will permit of the pre-war trade in coal from Nova Scotia mines to St. Lawrence river ports being resumed at a comparatively early date.

SAVE YOUR HAIR AND BEAUTIFY IT WITH "DANDERINE"

Spend a Few Cents! Dandruff Disappears and Hair Stops Coming Out

Try This! Hair Gets Beautiful, Wavy and Thick in Few Moments

If you care for heavy hair, that glitters with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine!

Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff; you cannot have nice, heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots flanch, loosen and die; then the hair falls out fast.

If your hair has been neglected and is thin, faded, dry, scraggy or too oily, get a small bottle of Knowlton's Danderine at any drug store or toilet counter for a few cents; apply a little as directed, and ten minutes after you will say this was the best investment you ever made.

We sincerely believe, regardless of everything else advertised, that if you desire soft, lustrous, beautiful hair and lots of it—no dandruff—no itching scalp and no more falling hair—you must use Knowlton's Danderine. If eventually why not now?

Alkali in Shampoos Bad For Washing Hair

Don't use prepared shampoos or anything else, that contains too much alkali, for this is very injurious, as it dries the scalp and makes the hair brittle.

The best thing to use is just plain multi-scented coconut oil, for this is pure and entirely greaseless. It's very cheap, and beats the most expensive soaps or anything else all to pieces. You can get this at any drug store, and a few ounces will last the whole family for months.

Simply moisten the hair with water and rub it in, about a teaspoonful is all that is required. It makes an abundance of rich, creamy lather, cleanses thoroughly, and rinses out easily. The hair dries quickly and evenly, and is soft, fresh looking, bright, fluffy, wavy and easy to handle. Besides, it loosens and takes out every particle of dust, dirt and dandruff.

A New, Harmless Way to Banish Hairy Growths (Beauty Topic)

By following this suggestion any woman can, in the privacy of her own home, remove every trace of hair or fuzz from her face: With powdered delatone and water mix enough paste to cover the not wanted hairs; apply and in 2 or 3 minutes rub off and wash the skin. This method is infallible, harmless and quick in results, but care should be employed to get the genuine delatone.
