

ST. JOHN HAS MORE THAN FOUR MILES OF PAVED STREETS

Detailed Report by Engineer is of Value and Interest --- The Work Done Last Year

An interesting record of street improvements carried out during 1913 and a record of the extent and value of existing permanent pavements are contained in the annual report of George W. Hatfield, city road engineer.

During the last year permanent pavements to the value of \$73,244.57 were laid, making the total value of \$290,540.83 in permanent pavements, allowing for depreciation. As the total length of these pavements is only 4.8 miles it is shown that the cost of such streets is almost \$50,000 a mile.

During the year asphalt sidewalks, new and repair work, laid totalled 21,374 square yards, equal to about five miles of sidewalk nine feet wide.

The asphalt sidewalk laid is shown as follows:

North	4,652
West	2,200
East	14,324
Total	21,176

Total cost \$18,728.43; average cost 64.2 cents a square yard.

Streets treated with heavy oil and sand during the year were as follows:

North	15,770
West	2,780
East	45,110
Total	63,660

Total expenditure \$4,972.40; average cost .08 cents a square yard.

Pavements Laid During Year 1913.

Street	Location	Kind of Pavement	Kind of Base	No. Sq. Yds. Laid	Cost Per Sq. Yd.	Total Cost	Total Cost of Street

COMPLICATION OF WOMAN'S ILLS

Yields to Lydia E. Pinkham's Vegetable Compound.

Athens, Texas.—"I had a complication of diseases, some of them of long standing. I wrote to you for advice and took Lydia E. Pinkham's Vegetable Compound, and some other things that you suggested. I must confess that I am much better in every way and have been relieved of some of the worst troubles. My neighbors say I look younger now than I did fifteen years ago." Mrs. SARAH R. WHITLEY, Athens, Texas, R. F. D. No. 3. Box 92.

We know of no other medicine which has been so successful in relieving the suffering of women, or received so many genuine testimonials, as has Lydia E. Pinkham's Vegetable Compound.

In nearly every community you will find women who have been restored to health by this famous medicine. Almost every woman you meet knows of the great good it has been doing among suffering women for the past 30 years.

In the Pinkham Laboratory at Lynn, Mass., are files containing hundreds of thousands of letters from women seeking health, in which many openly state over their own signatures that they have regained their health by taking Lydia E. Pinkham's Vegetable Compound, many of them state that it has saved them from surgical operations.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

Try This Treatment For Superfluous Hair

(The Modern Beauty.) Beauty specialists are greatly interested in the new treatment for removing objectionable hairs, and the success of this treatment (which is positively assured) means the abandoning of the painful and time-consuming electric needle treatment. A paste sufficient to cover the hairs not wanted is made with powdered delatone and water and applied; after 2 or 3 minutes remove and with it comes every trace of hair. Washing the skin to remove the remaining delatone leaves it clear and firm. Be sure you get delatone.

with coal, supposed to have sunk, were taken into Vineyard Haven yesterday by the tug Nemasket. Schooner Wanola, from Port Daniel to New York, lumber laden, is icebound in Yarmouth harbor.

TORTURED WITH RHEUMATISM

Could Not Walk, Until "Fruit-a-lives" Completely Cured Him

Chatham, Ont., April 8th, 1913. "I am a veteran of the Crimean War and the Indian Mutiny, volunteering from the Royal Artillery into the Royal Engineers, and served under Lord Roberts during the Indian Mutiny, and am a pensioner of the British Government. Pierce hand-to-hand fighting and continual exposure left me a great sufferer from Rheumatism, so much so that my legs swelled up, making it impossible for me to walk. My bowels were so constipated that I only had one passage a week until I got to using "Fruit-a-lives." They cured me of both the Rheumatism and Constipation. In my regular employment, I walk thirty miles a day and enjoy perfect health. No more Rheumatism or Constipation. You are at perfect liberty to publish this letter if it will be advantageous to "Fruit-a-lives." GEORGE WALKER, Lumbago, or Neuralgia all this winter. Take "Fruit-a-lives" now and be free of pain. 50c a box, 6 for \$2.50 or trial size 25c. At all dealers or sent on receipt of price by Fruit-a-lives Limited, Ottawa.

Daily Hints For the Cook

Potato Griddle Cakes. One baked potato (cold), butter size English walnut. Mash together with fork; 1-2 cup milk (sweet) 2 eggs, celery salt and onion flavor to taste; entire wheat flour with 1 teaspoon (rounded) baking powder to make the consistency of griddle cakes. If cream of tartar and soda are used, always use the same quantity of cream of tartar as of baking powder and 1-2 quantity of soda. This makes 12 cakes of 1 tablespoon each; fry in pork, bacon fat or butter; do not be stingy with the fat on griddle. The celery salt and onion flavor can be omitted and any other flavor substituted if desired.

SECOND MATE AND TWO SAILORS FOUND DEAD IN A BOAT

First News of Disaster to German Steamer Acilia

Valparaiso, Jan. 15—Two boats containing the dead bodies of the second mate and two sailors of the German steamer Acilia were found yesterday in Aguirre Bay, Tierra Del Fuego. The Acilia left Teopilla, Chile, early in October, and later called at Corral, Chile, whence she sailed for Hamburg on October 27. No report of an accident to the Acilia has been received by the authorities, but an examination of the papers found on the dead sailors is expected to throw some light on what happened.

"What's She After?"

"WRIGLEY'S SPEARMINT"

She'd Be Heartbroken If I Didn't Bring It Every Night

It's very good for her teeth, appetite and digestion. I'm glad to give her something that's as good in results as it is in taste. I purify my breath with it; it gives me an appetite besides. It's clean—pure—healthful.

WRIGLEY'S SPEARMINT PEPSIN GUM LASTS

Be SURE it's Wrigley's. Made in Canada BUY IT BY THE BOX. Wm. Wrigley Jr. Co., Ltd. 7 Scott St., Toronto, Ont.

The Poor Man's University

"JONES knows more about motor cars than any other man I know," said a man to his friend. "He has obtained his knowledge chiefly from motor car advertisements, and the catalogues and booklets circulated through them."

"All I know about photography," declared a well-known amateur, "I have learned from the men who advertise cameras, plates, papers and films."

Advertisements have been well called "The Poor Man's University," but other than poor men have been schooled thereby.

Much of what the average individual knows concerning personal and domestic hygiene, modern office methods, books and authors, electricity, precious stones, investments, and almost everything else, he has learned from advertisements.

Advertisements have stimulated our intelligence, added enormously to our knowledge, and given us aspirations which have raised us to higher levels of thinking and living. Advertising is indeed "The Poor Man's University."
