FOR THE RED CROSS.
Mayor R. T. Hayes has received \$3 from Mary Lewis and Muriel Akeley for the Red Cross fund. This sum was raised at a sleigh drive held recently.

WILL BE EXAMINED.
Joseph Beckley, charged with assaulting his wife on the night of Feb. 8, was again before the police court this morning and, after some testimony had been heard, his honor ordered both him and his wife to be taken downstairs and medically examined. Weldon Harris was reported for driving on the sidewalk. He was sent below.

MRS. CATHERINE THOMSON.
Mrs. Catherine Thomson passed away suddenly last evening at her home, 122 St. James street, West St. John. She was in her eighty-first year and had been in fairly good health and her death was quite unexpected. She is the widow of Captain James Thomson and, besides her son, is survived by one daughter, Mrs. J. M. Perry of San Francisco. Many friends will regret to hear of her death.

TRAINS AND PASSENGERS.
John Collins, who for more than thirty-four years has been constable in the C. G. R. station, having been on the job when the first train pulled into the Union station, speaking this morning of the condition of the trains this winter, said that he had never known a winter during his time of service when the weather had effected the trains as it has this winter. In comparing the winter done this winter with winters past, he thought that it compared very favorably. Mr. Collins said that it is marvelous the change that has taken place during recent years in the knowledge of the traveling public. Some fifteen or twenty years ago, said Mr. Collins, the traveling public in general had but very little idea as to the movement of trains. Today he said it is quite the contrary. They know as much in many cases as the officials. It used to be, said Mr. Collins, "What time does a certain train arrive or leave?" as might be the case. Today it is, "Is the train on time?" This question answered, is all that is required; the rest they know.

LOCAL SOCIALISTS HEAR BOLSHEVSKI

A Russian vessel has been in port for a few days. She is in the service of the Allied governments. The crew are Russians and some of them are of the Bolsheviki. During the week-end part of the crew got in touch with the local Socialists with the result of a meeting being held at Oddfellows' hall on Sunday evening. There were fifty-five present, twenty-three being from the Russian vessel. Speeches were delivered in both Russian and English and translated by an interpreter.

The Russian orator dealt with Russian from the Czar's regime down to the present administration of the Bolsheviki. The proletariat, he said, joined with the bourgeoisie to oust out the Czar but Kerensky and his colleagues kept the freedom that the proletarians fought for in their pockets and fed the masses on promises that were not fulfilled. Lenin and Trotsky gave the proletarians their freedom and adjusted the food situation so as to relieve the distress of the masses. He said that Lenin and Trotsky were only two and could accomplish very little alone and it is up to the proletariat of the world to back them up and help usher in a new society based on the production of wealth for use instead of production of wealth for profit as exists under the capitalist system. Then the workers will enjoy the full measure of what they produce, he said. It has been some time since St. John had such an unique gathering of an international character.

POWER REPORT UP AGAIN TODAY

At a meeting of the common council, which is to take place this afternoon, Mayor Hayes intends to place on the table the report of Auditor MacIntyre on the financial condition of the New Brunswick Power Company.

Commissioner Russell is also expected to present his report regarding two lots in West St. John recently sold to J. Fred Belyea by the city and a third leased to him but, owing to objections raised, at present in abeyance.

DR. CARTER TO ADDRESS GATHERING IN BOSTON

There will be a Massachusetts state conference of college presidents, secondary school principals, superintendents of schools and representatives of school boards held in Boston, Feb. 14, 15 and 16, on the general topic "War Demands on School Time."

Dr. Carter, chief superintendent of education for New Brunswick, has accepted the invitation of the commissioner of education to attend the conference and to address the School Masters' Club, consisting of 300 representative leaders of the state, at a dinner at the Bellevue Hotel, Feb. 16, upon Education in Canada as Affected by the War and Reconstruction.

F. R. TAYLOR WEDS MISS DORIS SAYRE

Interesting Ceremony in St. John's Church This Afternoon—Bridegroom is Prominent Barrister

A wedding of much interest in local society was solemnized in St. John's (Stone) church this afternoon at 3.30 o'clock, when Miss Doris Kathleen Chapman Sayre, daughter of Mr. and Mrs. Frederick E. Sayre of 19 Queen square, was united in marriage to Frederick Richard Taylor, B. C. The ceremony, which was simple and quiet out of respect to the times, was performed by Rev. (Captain) G. A. Kuhling.

The bride was dressed in a gown of white satin with a Brussels lace veil which has been worn in the family on similar occasions for several generations. Miss Eleanor Johnson of Los Angeles, who acted as maid of honor, was charmingly attired in Nile green silk. The bridesmaids, Miss Isabel Jack and Miss Edith Miller, were dressed in costumes of pale pink satin with black net hats. Isaac W. Killam of Montreal was best man and John E. Sayre, Campbell McKay, Harold Peters and Lieutenant G. Short acted as ushers. The bride was given away by her father, Frederick E. Sayre.

The only guests were the immediate relatives and friends of the bride and groom. During the service D. Arnold Fox, organist, rendered the Lobengrin and Mendelssohn wedding marches and the choir sang O Perfect Love. Immediately after the ceremony the bridal party repaired to the home of the bride's parents, 19 Queen square, where afternoon tea was served. The bride received many beautiful presents from relatives and friends.

After an extended wedding trip to Montreal, New York and other American cities Mr. and Mrs. Taylor will reside at 299 Princess street.

Mr. Taylor is a K. C. and one of New Brunswick's most prominent corporation lawyers. He is a graduate of Harvard University in law, and for several years has been a member of the faculty of the College Law School in this city. Both bride and bridegroom are very well known in local society and the wedding has created much interest.
