SERIOUS TEA SHORTAGE.

It is estimated that the world's pro-
duction of tea last year only amounted
to six hundred and twenty million
pounds and as the normal annual con-
sumption is approximately seven hun-
dred million pounds this tremendous
shortage has caused quite a panic in
tea circles. All indications point, tea
men feel, to higher retail prices in the
near future.

NEW LAMP BURNS 94% AIR

Beats Electric or Gas

A new oil lamp that gives an amaz-
ingly brilliant, soft, white light, even
better than gas or electricity, has been
tested by the U. S. Government and
85 leading universities and found to be
superior to 10 ordinary oil lamps. It
burns without odor, smoke or noise—
no pumping up, is simple, clean, safe.
Burns 94 per cent. air and 6 per cent.
common kerosene (coal oil).

The inventor, O. K. Johnson, 246
Craig St., W. Montreal, is offering to
send a lamp on 10 day's FREE trial,
or even to give one FREE to the first
user in each locality who will help him
introduce it. Write him today for full
particulars. Also ask him to explain
how you can get the agency, and with-
out experience or money make \$250
to \$500 per month.

MISS MONCTON IS
WELCOMED TO CITY

Attends Skating Races With
Miss Canada and Miss
Halifax—More Gifts for
Our Queen.

The Moncton train yesterday after-
noon was late arriving in the city and,
as a result, Miss Canada and Miss Hal-
ifax had left for the skating meet be-
fore Miss Moncton arrived. There was
no lack of welcome from the throng
of people at the train, however, who
followed the coach to the Royal Hotel.
She hurried to the lake and there was
introduced to her royal sisters and was
photographed with them. Miss Moncton
was accompanied by her chaperone,
Mrs. J. G. Thompson.

Many gifts are being continually
showered upon Miss Canada. Yesterday
she received a potted azalea in full
bloom from Adam Shand and her
chaperone, Mrs. W. H. Golding, re-
minders of the gift of Farnham's
bakery. A great many valentines were
received from school children.

Fred Doig, Ltd., printers, of St. John,
supplied to Miss Canada her official

Sportsmen's Show.

Good crowds were attracted again
yesterday afternoon and evening to the
Sportsmen's Show in St. Malachi's hall.
The speakers in the afternoon were W.
T. Chapman, of Salisbury, who spoke
on silver fox farming, and W. Harry

Allen, president of the New Brunswick
Guides' Association. In the evening a
film of hunting scenes was shown fol-
lowed by one depicting the landing of a
forty-eight pound salmon. This was
explained by Charles Crenin, of Freder-
icton. Two more films were shown
and one was explained by G. Gerald
Blythe, secretary of the Canadian For-
estry Association. L. A. Gagnon, chief
game warden, was the chairman.

R. W. Tufts, chief federal migratory
bird officer for the Maritime Provinces,
will be one of the speakers this after-
noon.

TAGGERS DID GOOD
WORK YESTERDAY

In spite of the drifting snow and
huge crowds, the taggers from the
Local Council of Women did yeoman
service yesterday afternoon in patrol-
ling all the entrances to the park.
There was plenty of work for them to
do in spite of the advance selling, but
their energy and enthusiasm was quite
equal to the task and no one passed
without being asked at least once to
buy a tag. There were very few who
refused to contribute. The residence of
R. J. Hooper, in Pine street, was offer-
ed as a headquarters for the taggers and
was greatly appreciated. H. J. Shee-
han, of the carnival committee, said
that the sale had been carried on in a
most satisfactory manner.
