LOGAN BEATEN IN HALIFAX REGATTA

Halifax, Sept. 4.—Willie Logan was defeated by two lengths by Penny in the boys' race in the St. Mary's regatta held here this afternoon. The race was over a three-quarter mile straightaway and Logan used a boat belonging to

George Power of the Jubilee Club which, it is said, was too heavy for him.

Fred Logan, his father, received a message over the long distance telephone last evening from J. E. Burns, coach of the Jubilee Club, asking that Willie's own boat be shipped to him without fail. He said that the boat which he used was too heavy for him and that his chances would be much better in the maritime championships on Wednesday afternoon if he had his own shell.
