THE "IMPERIAL" Marine Motor Engine

"The Motor that Makes the Mark."

Well Designed
Well Built
Well Equipped

The "Imperial" is manufactured by a well known and reliable firm of Iron Founders. They also manufacture Steam Engines, Boilers, etc., in a city where living rates, taxes and labor are cheaper than in most cities. They are thus enabled to furnish a

Higher Grade Motor and Better Equipment

for the price charged than most manufacturers. The "Imperial" has been especially designed for the use of Fishermen, and is guaranteed by the manufacturers to be well built of the best material obtainable, and if properly installed and operated to give good satisfaction.

The "Imperial" is extremely simple in design, and all parts are easily accessible. The most improved muffler, giving the least possible noise, no heat, no muffler explosions, no back pressure, etc., is supplied with "Imperial" motors.

You can run the "IMPERIAL" slow enough to set fishing gear or to fish on a line without any back-firing or other fuss. This engine has some other special features.

I have cancelled all my sub-agencies, and I will in future sell only the "Imperial," having been appointed by the manufacturers as their Agent for Newfoundland.

In order to introduce the "Imperial" to the Fishermen of Nfld. I am quoting a very special price on 3, 4, 5 and 10 h.p. for this season. Call and see engine, or write for full particulars and special price.

BAY ROBERTS, FRIDAY, Oct. 20, 1915

Another Big Meeting

Another full house greeted Rev. Dr. Hazlewood, of Toronto, on Wednesday night when he delivered an address on the Prohibition question, which was a real treat to his hearers.

Unlike other speakers, Dr. Hazlewood made those who were sitting close together and those who were standing forget their discomfort as he enlivened his address by some humorous remarks. These remarks, however, were intended to convey a great lesson, and a double object was accomplished. Dr. Hazlewood has Irish blood in his veins, and this no doubt accounts for the humor that he gives forth.

The more serious things in connection with the question under consideration were ably discussed, but we regret that space and time prevented us from giving it a full report.

Rev. H. Royle, who was in Bay Roberts by accident, also delivered a very able and earnest address.

Mr. Robert Dave ably filled the chair, and a vote of thanks, proposed by Mr. Jas. Norman and seconded by Mr. John Snow, was heartily carried.

Public Meetings

At Country Road and French's Cove

Public meetings in connection with the Prohibition Campaign will be held at the Country Road C. of E. Schoolroom, and the east Meth. Schoolroom; Bay Roberts, on Saturday night, Oct. 30th, at 7.30 o'clock. All voters of these sections are specially invited.

Funds for Campaign

The Finance Committee of the Bay Roberts Prohibition Committee are desirous of obtaining funds to pay the local expenses of carrying on the Campaign. Any subscriptions will be thankfully received by the committee, viz: D. A. McLaine, Dr. Atkinson, John Moore, Israel Marshall and F. J. Winsor.

Victor Dawe, who is fighting with a Canadian regiment somewhere in France, has been wounded in the eye, a message to this effect having reached his parents recently. He had been in the trenches only a week. Vics many friends will hope that the wound is not serious.

Some Remarkable Cures

EFFECTED BY

Arctic Indigestion Cure

Salmon Cove, District Bay de Verde, July 26, 1915.

For seven years I was a wonderful sufferer from heart disease and weak stomach. I fainted away very often and friends spent a lot of time watching over me. I was a dying woman, but two bottles of Arctic Indigestion Cure cured me. I cannot praise this medicine too much, for it did wonders for me. I had 8 doctors and tried all kinds of medicines, but all failed to cure me. But A. I. C. came along in time as a great means saving my life. I cannot thank you too much for your great remedy which has saved my life. Now a word to the people who are suffering. Don't be afraid to give this great medicine a trial, for it does all that it is recommended to do.
