J. G. Cameroa, of Thamesville, read a paper upon Methods, desling with difficuties in tesishing mathematical geography, euclid, algebra and srithmetic. Mr. Cameron answered readily all questions saked, W. S. Everlitt, W. A. Miller and A. E. Osterhout. Carrying on the discussion.

P. Crawford, of Duart, read, a good paper upon Permanency in the Teacher's Profession. He made it clear that the teacher was placed in an unfair) josition, inasumen as his efficiency in organizate that he shall be retained by a rural school board. Any little grudge or prejudice against a teacher, on the part of one trustee, may be assed to turn him out, even though the people generally are in his favor.

As (a result of Mr. Crawford's paper and the discussion which followed, the following resolution was passed:

"That in the opinion' To this conventor, greater permanency he the teacher or years position, and often more satisfactory management of the school would be secured by having six trustees in rural sections instead of three. That it wo trustees should be a ratending the school."

The first game was a splendid pitcher's battle between Hagerman and Habel, but Ith heady Chathamite had the best of it. Hagerman pitched superball and contributed some phenomenal fielding, aving seven assists without an error. But four aits were secured off his delivery and they were all of the scratce single variety. Habel also pitched well for the visitors, and all the Reds could secure were six singles, but the Chathams were more fortunate in bunching their efforts.

Both teams were right on their mettie and the fielding was certainly of a fine order. Guntaer in the right, made a ptengmanal capture of Royce's terrific hil, while Hagerman himself had the fielding honors for the Reds. The score:—

After about fifteen minutes' rest the teams again went at it, full of life and ginger. Mclivaine was sent to the slab for Charham, while Popkay entrusted Miller with the Stratford slab work. Both pitchers again did excellent work, Miller allowing but three, while Mclivaine escaped with five. It fell, however, to the popular Chatham twirler to win his own game. With two men on bases, and two gone in the fifth, Miller deliberately gave Sanders alis base on balls. Mclivaine, who had twice struck out, was last man up, with the bases full.

"Now, old man, right at him," yelled Popkay to his pitcher. But Mac, was equal to the emergency. Twice he secured foul tiers, and once be fanned the oundient air. Then there was a sharp report and the, hig pitcher had laid against one for a clean two-bagger, and the game was won. Then did Popkay cisate and the bleechers cheer.

The fielding was again excellent by both teams, Rightfielder Reid's wonderful catch and perfect throw to first, completed the most sensational double ever seen on the home grounds. The Soore.—

St. Thomas, Ont., May 20.—The Guelph team came very nearly winning from St. Thomas here this afternoon in the ninth inning. Damoth hit the sphere for a home run, all but tying the score. Pears made his debut in the box, and considering the chilly weather did good work. Damoth, for the visitors, also twirled a fair gane.
