LAW ILLUSTRATED

Judge Sets Peremptory Date for Hearing in Long Deferred Action.

A case which counsel for the defendant thinks bids fair to rival that celebrated one of Jarndyce vs. Jarndyce is Forrest vs. McCallum. This is an action for \$300 and an accounting of a sale for some property. It was originally entered in the Supreme court in May last, but was re-mitted to the County court, where it has lain since October.

H. B. Robertson, for defendant, asked H. B. Robertson, for detendant, asked in Chambers on Friday that the case be either gone on with at once or dropped. The delays have been on the part of plaintiff, who desires to secure as a witness to the purchase of the property one Hume, who is in Nevada.

E. E. Wootten, for Forrest, stated that he was in town with Hume and expected

he was in touch with Hume and expected he would be coming on almost any time. Judge Lampman, who believes in conducting his court in a business like way, at the same time that he is very consider-ate of the convenience of litigants, deate of the convenience of litigants, de-clared that the plaintiff had had enough delay, and he fixed the case for Friday reorning, April 30th.
