ALBERT LIME. THE A. B. LIME AND CEMENT CO'Y

Best Quality Selected Lime By the Car Lond at all STATIONS on the AL BERT and INTERCOLONIAL RAILWAYS. This Lime differs from all other Brands in the market—having peculiar comment qualities, which hardens it like stone, and makes it imprevious to prove it, and is the CHEAPEST III and all purposes.

For Agricultural purposes it can be furnished by the car load in bulk, CHEAP, and is the best as well as the cheapest fertilizer known.

All orders should be addressed

That he could.

A return submitted to Parliament gives some idea of the printing done outside the regular contractor. Last year, 1881, the St. John Sun got \$1,156 for printing Postoffice blanks; the Ottawa Citizen, \$1,041; the Ottawa Herald, \$1,059; and the hopeful Rufus Stephenson's sons, \$4,208. In 1881 this department got \$7,480 worth printed outside of the regular contractors. The enormous sum of \$1,350 was spent in printing Sir Tilley's budget speech in 1879, '80 and '81, about \$1,000 of which

went to the Ottawa Citizen. The printing done in England and Canada for the Department of Agriculture for four years cost the enormous sum of for the patent office record, and there are

besides other charges. The advertising for some of the depart-

For advertising for the Department of Railways and Canals the payments were as follows:

A. N. ARCHIBALD,
Sec'y and Sup't of Colportage. Moncton, Sept. 23rd, 1882.

ALL tobaccos except the finest Virginia have a pungent effect upon the tongue and will smart it if the smoking is long con ued. Some of them even will blister it, or at least destroy its outer skin at the point where the smoke impinges upon it. The "Myrtle Navy" is entirely free from this defect, which, together with its fine full flavor makes it a great favorite with

sion of Colportage work in 1883. The work of supplying religious books, Sunday School libraries and periodicals is self-sustaining and very helpful to Calportage work. The \$34,829 given by the people since 1867 for Colportage, have acreased by the People's Depository, aided by kindred societies, to \$58,492 in paying Colporteurs' salaries and expenses. It will thus appear that all dividends accru-

ing from the business are turned into the enevolent work. A large share of the

supervision in the various departments is orne by the committees without any

Let all aid, as opportunities are afforded,

ecuniary renumeration.

The Hog! The Hog! The Hog! This important source of wealth to the Canadian farmer, is never so remunerative or so healthy as when his feed has been mixed continually with HARVELL'S CON-DITION POWDERS, as they vastly improve his weight, and the flavor of his flesh

Loss of H. M. SS. Phonix.

The British Warships Northampton and Phænix, left Gaspe on the morning of the 12th for Halifax, but during the day parted company in a gale and were not in \$60,792, which does not include \$23,000 sight of each other by sunset. The former arrived safely at Halifax but the fortunes of the latter were different. About 9 o'clock she had sighted East Point Light, ments exhibit crooked curiosities. In the years 1880 and 1881 the St. John News got \$214, and the Sun \$252, while the Fredericton Capital received \$2.80 and the Strain Capital Received \$2. the St. Croix Courier \$11.25, for the marine branch of Marine and Fisheries propeller and stern post almost immediate. marine branch of Marine and Fisheries
Department; the fisheries branch in the bepartment; the isheries branch in the same period gave the News \$62 and the sun \$46, and found shelter in a lobster canning shed, and on Thursday morning, after the sea had gone down they landed all the light stuff. The Phanix was commissi Davenport to be stationed on the North American coast. She was a wood-built armed with six four ton cannon and one Gatling gun. The first news of the wreck came via Halifax, whither the commander had telegraphed to the admiral's ship, the Northampton. The Phanix is a total wreck, with no prospect of being got off

the reef where she lies. A later despatch says,-H. M. S. Foam printing, outside the regular contractor, arrived at Halifax on Thursday evening as \$11,244, and for advertising \$45,086. from the scene of the wreck of H. M. warship Phænix. The stranded man of-war, when the "Foam" left on Tuesday, was in the same condition as before reportedbilged and full of water. Her crew, who since the ship went ashore had been living "Northampton," where preparations had previously been made for their accommo dation. Three guns were saved from the wreck and three remained on board at the time the "Foam" started for Halifax, but all would likely be got out. A large quantity of material was saved, and work will be continued for several days longer. court-martialled after his arrival in Eng-
