Meikle and annoyance and irritation has been felt by the settlers. The facts are given on very Gerrior, assisted by several local clergymen and others are conducting religions reliable anthority.

A SAMPLE CASE.

In one case, more than two years ago, trar, stepped in with the claim that he had himself bought the settlers' rights of that section. The law was called in, and

benefitted.

ing of the Rogersville relief committee

that section. The law was called in, and the case came up before Mr. Pearce about eighteen menths ago, but no decision has been communicated to the settlers. MOTHER. Here is a case of a different kind. There is a settlement—aything but a thriving settlement—at Carrot River. Two years ago a man offered to build a flour mill ago a man offered to build a flour mill

there if the settlers would supply the AN UNSEEMLY FIGHT took place in Corp Alex Forrest Private H Irvine timber. They agreed to the terms, had the required logs were taken out and laid between Lord Lonsdale and Sir George ALL-COMERS MATCH back to get some of his effects, one of the were filing into the building, the crowd This was shot at the 200, 500 and 600 on the site of the mill, having subscribed Chetwynd. The latter began the assault yds. ranges, 7 shots at each. The prize bits at each. The prize bits at each. The prize bits revolver. As he got a step or two made a rush for admittance and for a minute a rush for admittance and for a minute a rush is rowner darming before them. When the impetuous rush was successfully moment carried everything before them. When the impetuous rush was successfully moment carried everything before them. When the impetuous rush was successfully met by the police at the entrance and for a moment carried everything before them. When the impetuous rush was successfully met by the police at the entrance and on a moment carried everything before them. When the impetuous rush was successfully met by the police at the entrance and on the front of his coat were numerous orders. He passed into the made area unt intromet ad a couple of women and several [chil-dren had their limbs broken, but none are reported fatally injured. The building was so crowded and the confusion so rest that nothing further was done the bridde was heralded with theers and a Royal' salute. The Queen entered built at burbone between four and five hundred dollars, which they could very ill afford. The man went back from his word, are the logs remained on the mill site, the settlers hoping that perhaps some one else would take up a similar contract. At any rate, they thought they could uses, which were badly needed. But their little plans for immoving the settlement were knocked for that purpose between four and five by striking Lord Lonsdale on the head winners were as follows,badly needed. But their little plans for improving the settlement were knocked on the head by the Crown timber agent seizing the logs and selling them for duest. The marked for the set and the ment to fight.
