Adjourned until nine o'clock to-morrow, Tuesday, evening.

The Council reassembled, pursuant for

The subject of tenders for constructing the intake dam, etc., at Morrison's Brook, was onsidered, under advisement with Mr. Scott, resident engineer, who was present. The tenders were-T. A McLean & Son :

Construction of intake dam, \$1,450 00. Laying vitrified pipe I ne \$395.00, and \$2.85 additional per yard for rock excernation i or and for rock excavation ; and with the cast iron suct work connected with the cast iron suction air, witrified pipe and in aks dam, \$2,390. This little "circus" of ald. Nicol's being \$555.00 and \$2.86 per yard for rock exceva-

ended other business was proceeded with.

Laving vitrified pipe, \$532.00.

\$1,024.00 pipe to pumping station,

James Mowatt ----

screening chimber was awarded to Wm. Lawlor, at \$888.00, the work to be done to the satisfaction of the engineer, and under

On motion of ald. Murray, see ald. Maher, the tender of T. A. McLean & Son for laying the vitrified pipe to the pumping station at \$395 plus \$2.85 per yard. r rock excavation; nd laying the cast iron suction main at \$5", plus \$2.85 for rock excavation, was accepted, the work to be done under inspection, etc., as above. The Council adjourned for commit

to him especially persons of note who approached. Upon the Presideut's left stood Mr. Cortelyou, his scenetary. It there is every prospect that the assassin's ald. Nicol had seen fit to make such shed at pumping station, \$193.25, which Archibald Lunceley, son of the care-taker of Centenery Church, Hamilton, has been arrested on the charge of having stelen, the collection plate of Sundar the interested misstatements of other partier. He said aid, Watt had come to his office and Marquis for work of "half a man" and "half work.

and engineer Craig were also ordered to be Mr. Smith, who was present as a paid.

rather assume that he had been misled by report. He read some bills, which were
