GANLEY TO
BE WITH THE
CHAMPIONS

Special to The Standard.

Frederick, Mar. 23.—Bob Ganley, last year the leader of the Frederick team, has received offers to be manager of the Brooklyn, N. Y., club in the United States League, the outlaw organization that is placing clubs in many of the leading cities in which the major leagues now have clubs.

In a letter to J. J. McCaffrey of this city "Bob" confirms the report that he has received several letters from the president of the new Brooklyn club but says: "That league does not look good to me. It might blow up in a week or two and old Frederick looks all O. K. to Robert Stephen."

Capt. Ganley is now getting in touch with as many of last year's players as possible and that looks like the first actual work towards getting Frederick on the baseball map for 1913. Not only will most of last year's players be back on the job but some new men will be signed up and nothing left undone to get a good team.

The annual meeting of the New Brunswick and Maine League when the circuit will be reorganized for the season of 1913, will be held this week.

The exact date for the meeting has not yet been decided upon but a telephone message received from St. John is to the effect that negotiations which had been in progress in connection with the reorganization of the league had so far progressed that a meeting would soon be called.

UMPIRE
IN SIX
LEAGUES

The Boston Globe Friday prints an excellent picture of John E. Rudderham who was umpire in St. John last season, and states that in between times Rudderham has trained two league teams, also a college football and track squad and a hockey team. He has been a player on seven teams and umpire in six leagues. The article further states:

New England furnishes many umpires for the National pastime, and few of them are better known in this section than John E. Rudderham of Randolph, who for the last two seasons has been officiating in the South and who will leave soon for that section to take up his duties again.

Rudderham was born in Quincy, Mass., in 1881. He played with Lewiston in 1891 and with Brockton in 1892, when it was under the management of the late Billy McGinnis. He was with Bangor in 1898, with St. Albans in 1897, with Portsmouth, N. H., in 1898, and with Auburn, N. Y., in 1899, when the club, directed by Billy Murray, won the championship of its league.

In 1890 Rudderham returned to Bangor, in 1891 he played with Lewiston and in 1892 with Brockton. He was then obliged to give up playing because of an injury, and took up boxing and training. He was one of the second to the late Johnny Griffin when the Brantree boy won the featherweight championship by defeating Billy Murphy of Australia at Coney Island in 1893.

Rudderham then got into the baseball game again, this time as an umpire in the New England League in 1903-04, and in the Northern Copper County League in 1906.

He trained the Philadelphia Nationals in 1907-08, and the Montreal club in the spring of 1910, later in that season going to the Carolina League as an umpire. In 1911 he was with the South Atlantic League, and last season worked in the Carolina League and also in Maine and New Brunswick.

He trained the football squad at the University of Illinois in 1907-8-10-11, and in 1912 trained the track team, which won the Western intercollegiate dual track championship.

Altogether Rudderham has had quite an experience.

"GRAVY"Jack McAuliffe, Former
Lightweight Champion, is
47 Years Old Today.

Jack McAuliffe, who retired from the ring some seventeen years ago as the undefeated lightweight champion of the world, was born in Cork, Ireland, forty-seven years ago today. His great career, beginning as a lad in Brooklyn, where he was employed in a cooper's shop, and where he boxed with fellow workers, is known to most boxing bugs. He fought his way to the top of the lightweight heap, remained there five years, and retired without ever having tasted defeat. McAuliffe believes that the boxer of today are not as long on gray matter as were the men he fought. It is the general belief that there has been an improvement in the mentality of boxers as a class, but the opinion is not shared by the former lightweight champion. The science of the boxing game has deteriorated, declares McAuliffe, since the palmy days of Corbett, Dempsey, McCoy and other ring artists.

McAuliffe thinks the boxers of the present time are rushed too rapidly, to the neglect of the finer points of the game. There is a tendency, he declares, to make brute strength and ability to take punishment the measure of a boxer. Joe Gans and Abe Attor

tell, he thinks, were the best and cleverest of the more recent boxers.

Kid McCoy and Joe Chynowski, both of whom are now talking about coming back, fought a memorable battle in San Francisco fourteen years ago today. The Hoosier was declared the victor after twenty grilling rounds. If Joe and the kid are in earnest about returning to the ring, a match between them might be amusing, at least. McCoy has taken part in several bouts in France within the last couple of years, and has proved that for all his forty years, his old-time cunning has not entirely deserted him. Chynowski has kept in good condition as a boxing instructor at an athletic club.

The first important events of the British year are set for decision today at Birmingham and Kempton Park. On the first-named track the Birmingham Spring Handicap and the Decker Hill Maiden Plate will afford excitement for turf followers, but the main interest centers in the Queen's prize at Kempton Park. There has been a falling off in entries for the Queen's prize, but a fairly good field will start.

THIRD OF
BOSTON
NATIONALS

GEORGE TYLER

George Tyler is rated as about one-third of the Boston Nationals. The team is said to consist of one pitcher, one second baseman, and a manager. It would not be surprising if Manager Stallings fooled the critics, as nothing much is expected of him. He has plenty of individual ability and batting strength in the club, but needs team work and reliable pitchers.

In the records Tyler appears lower than both Perdue and Hess. His average was .353, having won 12 and lost 22 games. It does not sound much like the record of a star, but he had a joke team behind him and was used in most of the hard games.

John McFarland cast loving eyes on Tyler, and the Cubs would also be very glad to get such a good south-paw.

SCHOOL
WON BOTH
MATCHES

The High School pulled off a double basketball victory over the Hampton Consolidated School on Saturday afternoon in the Y. M. C. A. Gym. The first game between the second teams of both schools resulted in a win for High School by the score of 35 to 5. In this game the High School team had everything their own way, scoring at will.

The second game proved more interesting, and was also won by High School, score 39 to 6. Although the score indicates a one side game the play was fast at all times. Mathews at centre played well for the losers, while Millidge and Markham were at their best for High School.

The lineup for this game was as follows:

Consolidated	Forward	High School
Brooks	Millidge
Fraser	McAndrew
Mathews	Langley
	Guard
Langstroth	Markham
Barnes	Gibson
Referee	W. Latham, Umpire, F. Thorne.

EVANS WINS TITLE

Chicago, Ill., March 23.—Charles Evans, Jr., of the Edgewater Golf Club, western champion, today wrestled the western indoor golf title from Warren K. Wood, runner-up in the western tournament at Denver last summer, defeating him 3 to 2 in the final match. The match was played over distance representing the Homewood Country Club course.

ST. ANDREW'S
WON GAMES
ON SATURDAY

Boston, Mass., March 23.—The St. Andrew's curlers, who were handicapped in Friday's match on account of the bad ice and were defeated by the Boston curlers, came back strong Saturday and won the two games.

The weather turned cold during Friday night, and Saturday the ice was in good condition. The St. John men after their play on Friday were quite at home in the rink and were thus enabled to show up in much better form. Matches were played both morning and afternoon and the St. Andrew's men were fortunate in winning both.

The game in the morning was very close, the St. John men winning by a total score of 38 to 37.

In the afternoon play the visitors rolled up a score of 45, while the Boston players were able to make only 25. The visitors from New Brunswick were given a hearty reception here and have been entertained almost continuously by the Boston club.

Before leaving the St. John men exacted a promise from the home club that they would visit St. John next winter, and the visitors are looking forward to a large representation of Boston curlers going to St. John next January.
