St. Peters Shut
Out Commercial

Muffed Fly in 7th Inning Gave
Saints Their Only Run—
Real Pitchers' Battle.

About two thousand fans were at
the East End grounds Saturday after-
noon and witnessed one of the most
interesting games of ball played this
season, the St. Peter's defeating the
Commercial by a score of one to
nothing.

It was a pitchers' battle throughout
the Commercial only making three
safe hits off King, while the Saints
only found Evans for four hits. The
fielding was mostly good, there being
five double plays.

The only run in the game was
made by St. Peter's in the seventh
inning. With the bases full and only
one out, King hit an easy fly to Sir-
ling in short center. Stirling dropped
the ball and O'Regan crossed the
plate. It was too late to stop the
score but the ball was quickly thrown
to second and then to third retiring
the side. But for this error the game
would have perhaps went into extra
innings.

It was certainly a real game and
players on both teams played good
ball. The official box score and sum-
mary follows:

Australians In
First Test Match

London, May 28—The first test
match between the visiting Australian
cricket team and All-England began
today at Nottingham. The English
team was without the services of
Hobbs, who did such conspicuous
work last winter during the test games
in Australia. Hobbs was recently in-
jured in a match and a long rest has
been prescribed for him by his doctor.

The English team were the first to bat
and they fared rather badly, losing
two wickets for seventy-seven runs.

In the first innings, England scored
118.

The Australians in the first testing
scored 167 for six wickets with two
more to bat.

Play will resume tomorrow.

California Won
The Track Classic

Cambridge, Mass., May 29—By the
narrow margin of one-half a point a
small band of California athletes won
a collegiate track classic here yester-
day. The Pacific Coast stars defeated
Harvard 27 1/2 to 26 points in the
struggle for first place honors at the
45th annual games of the Intercolle-
giate association of amateur athletes
of America. It was the first triumph
for the west in meetings of the kind.

When friendly Arabs meet their
relations are almost grotesque, for
they shake hands seven or eight times
and sometimes repeatedly kiss each
other.

Perfidious political activity is con-
fined to Theodore Roosevelt, who cre-
ated the Annapolis Club to which he
relegated those who he claimed failed
to stick to the truth.

Carpetbagger has also disappeared,
but it was more particularly applic-
able to the period, for it referred to
Northern political adventurers who
went South during the period of re-
construction.

Salt River, the derivative destiny of
defeated nominees, was once almost
universal favored by political dis-
asters in estimating the chances of the
opposition, but now it is "may in
next nowdays."

Visiting Scots
Defeat Toronto

Fifteen Thousand People Wit-
ness Selected Eleven Trim-
med by Score of 4 to 1.

Toronto, Ont., May 29—Playing won-
derful football, the visiting Scottish
Football team Saturday afternoon
overcame a selected Toronto eleven
by a score of four goals to one.

The Toronto team was unfortunate
to lose Jones, their star centre half,
shortly after the commencement of
the game, due to knee trouble, and
while playing under this handicap and
without Wilson, the Dumfries sharp-
shooter scored two goals. The Scots-
men were superior to their opponents
in every particular, but the local am-
ateurs played placidly every minute
of the game. Fifteen thousand specta-
tors attended the match.

Happy Is Bride
The Sun Shines On

Many Superstitions to be
Observed by Those About
to Wed.

There is no end to the superstitions
connected with weddings, and the
bride who would avoid ill-luck, accord-
ing to these omens-seekers, must walk
warily.

To begin with, in her selection of a
suitable day and date, she must be
careful in her choice. May is to be
shunned as a most unpropitious
month, and there are also certain
days of the week associated with
misfortune. The old rhyme is to the
following effect:

Monday for wealth,
Tuesday for health,
Wednesday the best day of all;
Thursday for losses,
Friday
