And Worn-out Worried Mothers Find Comfort in CUTICURA.

nced it poison and gave us some medicine which did no good. His head got so bad he would cry all night, and my wife could sleep none, and began to look ghostly. His head got so sore that we put a night cap on him, and folded a white cloth four thicknesses inside of it, and just through the night a kind of matter would ooze out from his head, soaked through the cloth and cap and on to the pillow. The top and back of his head was almost a solid sore, and looked so badly that words would not describe it. Almost in despair I told my wife I had seen CUTICURA REMEDIES advertised and recommended very highly and I was going to try them. I bought the CUTICURA RESOLVENT, CUTICURA SOAP, and CUTICURA Ointment. We gave him half of the Resolvent, used part of the cake of Soap, and before we had used the second box of Currouga Ointment he commenced to get better, and is now as well and hearty as anybody's boy. He is as merry as a lark, sloops soundly all night, and his hair looks glossy, thick, and soft. while my wife looks like a different woman, I look at him and think I owe it to you and

to suffering mankind to write and tell you of this almost wonderful cure.
