### ATTEMPT TO TAKE MY CURE SOLELY

And Entirely To Taking "Fruit-a-lives"

"Hull, Que., Dec. 24, 1909.

"For the past twelve years I had painful attacks of Dyspepsia. I could not digest my food and everything I ate gave me a painful attack of Constipation and at times I had no movement of the bowels for two weeks. Three doctors attended me for two years and gave me a kind of medicine, but did me no good. My weight came to only 80 pounds and everyone thought I was going to die. Finally, I had the good fortune to try 'Fruit-a-lives' and as soon as I began to take them I felt better. I persisted in the treatment, and to my great joy I steadily improved.

"I now feel well, weigh 110 pounds, and this is more than I ever weighed even before my illness.

"I attribute my cure solely and entirely to the use of 'Fruit-a-lives' and praise them too much for my health to write to all who suffer from Dyspepsia and Constipation. I recommend 'Fruit-a-lives' as a 'miraculous remedy'.
