

Dr. J. Walker's California Vinpr. J. Walker's California vinegar Bitters are a purely Vegetable preparation, made chiefly flom the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of Vinegar Bitters?" Our answer is, that they remove the cause of disease, and the patient re-TERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of Vinegar Bitters in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious Diseases.

Grateful Thousands proclaim VIN-

EGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system. No Person can take these Bitters according to directions, and remain long nawell, provided their bones are not de-stroyed by mineral poison or other means, and vital organs wasted beyond

Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannaa, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during sea. Autumn, and remarkably so during seasons of unusual heat, and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. Walker's Vinegar Bitters, as they will speedily remove the dark.

is no cathartic for the purpose equal to Dr. J. Walker's Vinegar Bitters, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healtly functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with Vinegar Bitters. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful-symptoms, are the offsprings of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

For Diseases of the Throat and Lungs.

A MONG the great discoveries of modern science, few are of more real value to manimid than this effectual remedy for all diseases of the Throat and Lungs. A vast trial of lits virtues, throughout this and other countries, has shown that it does surely and effectually control them. The testimony of our best citizens, of all classes, establishes the fact that Cherny Peronal will and does relieve and cure the afflicting disorders of the Throat and Lungs beyond any other medicine. The most dangerous affections of the Pulmonary Organs yield to its power; and cases of Comsumptions, cured by this preparation, are publicly known, so remarkable as hardly to be believed, were they not proven beyond dispute. As a remedy it is adequate, on which the public may rely for full protection. By curing Coughs, the forerunners of more serious disease, it saves unnumbered lives, and an amount of suffering not to be computed. It challenges trial, and convinces the most sceptical. Every family should keep it on hand as a protection against the early and unperceived attack of Pulmonary Affections, which are easily met at first, but, which become incurable, and too often fatal-if neglected. Tenrings need this de.ence, and it is unwise to without it. As a safeguard to children, and and cheet of childhood, Cherry Pectoral is invaluable; for, by its timely use, multitudes are resound from premature graves, and saved to the love and affection centered on them. It acts speedi'v and surely against ordinary colds, securing sound and health-restoring sleep. No one will suffer troublesome Influenza and painful Bronchitis, when they know how easily they can be cured. Prepared by Dr. J. C. Ay ER & CO., Lowelle, Mass., Practical and Analytical Chemista. CUTHRIE & HEVENOR,

A FORECASTLE YARN. BY MARTINGALE BOBSTAY.

It is of the good yacht "Nonesuch"
I'm going for to tell,
And the peculiar circumstance
That unto her befell:
"Twas about a dozen years ago,
Or mayhap a trifle more, That craft swang to her an Off the Staten Island shore

Her owner was Dick Flasher, Of a social habit stock, One of the old three bottle men A "chip of the old block;" A good bit willful, in his way, Ah wouldn't he carry sail!

And search up the gents,
And daily the excitement
Was a getting more intense
For every jaunty skipper
Had his touching up to do,
To be ship-shape, and a taun
For the day of rondy-voo.

Well, the "Nonesuch" was as rakish
As a Yankee privateer;
A gently swelling water line, 1
Clean run, and easy sheer.
Her masts were tall and taper;
Her cable had a spring.
And she sat just like a sen-bird,

Twas a pleasant summer evening. In the balmy month of June, When all the bay was dancing In the glimmer of the moon:
The owner had a jolly crowd
Of friends aboard that night,
And the champagne corks were While the boys were getting tight.

"Twas then the Flasher struck his fist
Upon the capstan head,
Swaying about upon his pins,
As "eight bells" struck he said:
That by the "Flying Dutchman,"
He was bound the cup to win; once outside of Sandy Hook,

Well, sir, if you'll believe me. Well, sir, if you'll believe me,
When the sport came off next day,
One schooner was a missing
That started down the bay;
The wind was from the south ard,
And the fog rolled in from sea,
And everybody wondered
Where the Flasher boat could be.

With spy-glass at the Highlands,
Dick's friends did watch for him,
Until they all did specify
That he had "doused his glim;"
And when the wind was piping,
Or the weather growing thick,
They drank unto his memory,
In "Green-seal" bought on tick. At last arrived a fishing-smack, One of the down East sort,

Whose captain said he met a yacht.
That asked him to report:
Her name it was the "Nonesuch." She was crowding on all sail, Chasing another clipper, That was scudding with the gale. The sails were torn and dingy.

The sails were torn and dingy,
That once were white and new,
The taper masts were badly sprung,
The sheer was not so true;
Her gray-haired crew in tattered rig,
Looked wistfully ahead,
And the champagne corks were poppin',
As the stranger onward sped. You see, the "Flying Dutchman"

Had chanced to come ashore, And noted in his log-book, The oath that Flasher swore. So ever since, in gale or fog, The race goes round about But Dick is bound to win it, If the liquor don't give out.

JOHN JANKIN'S SERMON. The minister said last night, says he. The minister said last night, says he,
"Don't be afraid of givin';

Why, what's the use o' livin'?"
And that's what I say to wife, says I, There's Brown, the mis'rable sinner, He'd sooner a beggar would starve then give A cent toward buyin' a dinner.

I tell you our minister's prime. he is,
But I couldn't quite determine,
When I heard him a-givin' it right and left,
Just who was hit by his sermon.
Of course there couldn't be no mistake
When he talked of long-winded prayin',
For Peters and Johnson they set and scowled

And the minister he went on to say.

"There's various kinds o' cheatin'
And religion's as good for every day
As it is to bring to meetin'.
I don't think much of a man that gives
The loud Amens at my preachin'.
And spends his time the followin' week
In cheatin' and overreachin'."

For a man like Jones to swaller;
But I noticed he didn't open his mouth

Now, if he had said a word about
My personal mode o' sinnin',
I'd have gone to work to right myself,
And not set here a-grinnin'.

Just then the minister says, says he.

A letter from Sydney, Australia, Dec.

On reaching their destination they were mercilessly slaughtered by the natives.
