

Sewing Machines.

THE "SEAMSTRESS" SEWING MACHINE which we have selected for our trade, we believe, and experience has proved, to be equal to the best. It is manufactured by some of the best mechanical talent on the continent. It is simplified in all its details, and dispenses with all complicated surroundings generally found in other machines. We have sold large numbers and have not yet received the first complaint. A guarantee of five years goes with every machine. The Cabinet work is in either Black Walnut or select quality of fine Antiquo Oak, highly polished. The Machine Heads are all alike, fitted in five different styles of woodwork.

Drop Head Seamstress, \$29.50.

The Improved Now Drop Head Stand. When not in use the Machine Head drops down out of sight (as shown in cut) into dust proof case, thus making the cabinet a useful as well as ornamental piece of furniture. In Oak or Walnut.

The SEAMSTRESS Machine is fitted with straight self-setting needle and makes the double thread "Lock-Stitch."

It is adapted to every variety of sewing, from the lightest muslin to the heaviest cloth, and will do as great a range of work as any other sewing machine.

Five Years' Guarantee is given with every "Seamstress" Machine. Do not pay more than we ask for any machine. We consider the "Seamstress" equal to any family machine for general household sewing.

Try one, and if it does not give satisfaction return it and we will refund you your money.

We will be pleased to give you further information if desired.
