When I say I cure I do not mean merely to stop them for a time and then have them return again. I mean a radical cure. I have made the disease of FITS, EPILEPSY or FALLING SICKNESS a life-long study. I warrant my remedy to cure the worst cases. Because others have failed is no reason for not now receiving a cure. Send at once for a Certificate and a Free Bottle of my infallible remedy. ANSWERS TO CORRESPONDENTS,

(Continued).

SURPRISE:—A simple wash for an oily face is made of

Elder-flower water, 1 pint.
Tincture of benzoin, 1 ounce.

Drop the benzoin in slowly, stirring all the time to prevent curdling.

VIOLA:—Regarding premiums on coins write to the J. W. Scott Co., Ltd., 40 John Street, New York City, mentioning the DELINEATOR. A good tonic to be applied as soon as the hair begins to fall out is made of

Tincture of cantharides, 2½ fluid ounces.
Jamaica rum, 2½ fluid ounces.
Glycerine, ½ ounce.
Sesqui-carbonate of ammonia, 2 drachms.
Oil of rosemary, 20 drops.

Mix well and then add

Distilled water, 9 ounces.

Shake the mixture thoroughly and apply to the roots of the hair with the fingers. At first it will be advisable to have some one else apply the lotion, so that all parts of the scalp may be equally benefited.

FRANCISCO:—To make artificial oranges for decorative purposes, use orange-colored China silk, cutting two circular sections and sewing them together. Fill with wadding or bran and finish one end with a short rubber stem.

C. H. P.:—Your sample is bouclé suiting and it may be made up according to basque-waist pattern No. 7220, which costs 1s. or 25 cents; and skirt pattern No. 7229, price 1s. 3d. or 30 cents, and are both illustrated in the November DELINEATOR. Trim with silk matching the green dots.

E. S.:—In the absence of particulars by which we would be able to satisfactorily answer your question regarding a home for friendless people, we would advise consulting a local authority.

E. A. P.:—The engagement ring is worn on the third finger of the left hand. The value and style of the ring is governed by the circumstances of the groom. It may be a solitaire diamond or a jewel that costs much less.

M. I. O.:—A framed photograph of yourself is an acceptable gift for a friend.

AN OLD SUBSCRIBER:—In reference to dresses for your outfit, select a two-toned brown whipcord for travelling, a reception dress of black *moiré façonné* trimmed with lace and jet, a dress of mixed chevrot for general wear, a fancy silk waist for wear with a black skirt, and a fancy tea-gown of heliotrope cashmere, which may have a front of flowered white silk. You will get a good idea of what comprises a bride's stock of linen by reading the article entitled "Household Linens," in the February DELINEATOR.

The Lewis Magnetic Corset Is Superior to All Others.

It is mechanically constructed upon scientific principles, symmetrical in shape and unique in design.

Each section of the corset is so formed as to maintain the vertical lines of the body, and readily conforms to the figure of the wearer.

It is stayed with strips of highly-tempered spring ribbon steel, which is superior to any other boning material owing to its flexibility, smoothness and durability. Each steel (or stay) is nickel-plated, highly polished and guaranteed not to corrode, metal-tipped to prevent the ends cutting through the fabrics.

The steels (or stays) are incased in separate pockets, and can be removed or replaced at pleasure, and are so distributed as to afford the necessary support to the spine, chest and abdomen, whilst at the same time so pliable that they yield readily to every movement of the body, thus assuring constant comfort to the wearer.

Ladies who, after giving them a fair trial, should not feel perfectly satisfied, can return them to the merchant from whom they were purchased, and have their money refunded.

See that the name "Lewis Magnetic Corset" is stamped on each pair, without which none are genuine.
