BOMBERS BLANK BRAGGARDS; WIN MARITIME GRID TITLE

By GORDON HOWSE

The University of New Brunswick Red Bombers blanked Mount Allison Mounties 16-0 last Saturday afternoon to win the New Brunswick Football League championship.

With three first string players on the side lines, the "Big Red" avenged their only defeat this season, before an estimated 2,000 fans at Mounties' home grounds. Over 300 UNB supporters travelled by special railway train and car to Sackville to encourage the Bombers to their upset victory.

Spirit and fumbles were the key to the Bombers win. Coach Don Nelson had his boys "up" for the big one. Hard, smashing tackles produced six Mount Allison fumbles, 5 of which were recovered by UNB. Two of the recovered fumbles led directly to touchdowns.

UNB chances took a nosedive last week when it was revealed that end Sonny Clark, tackle Ted Boswell, and half Brian Arthur, all first stringers, would be unable to play in the League Finals. Boswell and Arthur received back injuries in the Saint Dunstan's game and Clark was operated on for an infected foot.

The Bombers, needing only an 11 point margin, carried the play to the Mounties all afternoon.

Early in the first quarter a Rylander punt was fumbled by Smallman on the Mounties 20 yd. line and recovered by UNB. Two ground plays netted two yards, then Doug Cottrell, replacing Arthur in the backfield, bulled his way for eight yards and a first down. On the next play, speedy half Ed McLellan scooted around right end to open the scoring.

Midway through the second quarter, with the Mounties on their own 21 yard line, quarterback Dave Cuthbertson's pitch-out was fumbled and recovered by UNB defensive lineman Jack Davis on the three. Cottrell went over on the next play to give the Bombers a 12-0 margin.

Left footed kicker Pete Rylander then took charge of the scoring. Rylander booted a 60 yarder into the end zone, scoring a rouge and giving the Bombers a 13-0 lead at half time.

The previously undefeated Garnet and Gold squad revived

slightly in the second half.

Play see-sawed back and forth in the third quarter with the wind playing an important role in the kicking.

In the fourth quarter UNB confined the Mounties to their own end of the field. Rylander kicked three singles, the first travelling 55 yards, the second 50 yards, and the third close to 70 yards; a terrific kicking display.

Hardest tackle of the game was launched by UNB lineman Milt Sherwood. Sherwood nailed Mt. A. quarterback Cuthbertson with a flying tackle in the third quarter. Both were shaken up and taken out of action.

Possessing the best backfield in the Intercollegiate Loop, the Mounties were held back by a weak front wall. The rush was on Cuthbertson who completed only one cut of six passes, while halfbacks like Zipay, Smallman, Haukkala, Desjardins and Pushee managed only 190 yards on the ground. UNB defensive standouts, Goss, Friedman, Davis, Sherwood, Doyle, Brander, Gilmore, Gorham, McLean and Hough combined to keep the Mounties bottled up.

The Red Bombers finally broke a long standing jinx in winning the New Brunswick title from the Mounties. Only once since 1934 has UNB defeated Mount Allison for league honors and that was in 1945.

SCORING

First Quarter—

UNB McLellan TD

Second Quarter —

UNB Cottrell TD

UNB Rylander Rouge

Third Quarter—

Carrying the pigskin in last Saturday's encounter with Mt. Allison is U.N.B. fullback Doug Cottrell. U.N.B. scored a 16-0 upset victory over their arch-rival College counterparts from Sackville. U.N.B. players, left, Sterling MacLean (43) (Background) Pete Madorin (22) and right, Ed McLellan (36). Mount Allison players, Don Roberts (82), Jim Roberts (99) and an unidentified would-be tackle (center).

SDC Convict Undergrads

At a meeting of the Student Disciplinary Committee Wednesday, November 5, three students were charged and penalized for behavior unbecoming a university student.

James Williams was charged with intoxication and conduct unbecoming a university student on the night of October 17. His penalty was a fine of \$10.

Robert King was charged with possession of liquor and conduct unbecoming a university student. His penalty was a \$15 fine.

Another student whose name was withheld, was charged with possession of liquor and vandalism in the Lady Beaverbrook Residence. His penalty was suspension from the University and university property for one month, effective November 5. He was fined \$20 plus damage costs up to a \$10 limit. Any recurrence of a similar incident while this student is at UNB will result in an automatic recommendation of the SDC that he be expelled from the University.

Night Class

Repeats Lecture

Dr. Milham's special night class, "Building English vocabulary with Greek and Latin roots", will repeat the Nov 11 lesson on prefixes on Nov. 17 for those who were away for the holiday. On Nov. 24 the lessons on "op-

(Continued on page 6, col. 1)

R' N' B' TICKETS

Monday, November 17 is the first day of Red 'n' Black ticket selling. Sales will continue through Thursday, November 27.

Tickets will be available at the Forestry Building from 10 a.m. until 1 p.m. daily as well as in the SRC office each noon from 12:30 until 1:30.

Anyone interested in selling tickets, please contact Robin Shearer in the Student Centre any noon.

WUS Secretary To Visit UNB

On November 17 and 18, Mr. Geoffrey Huang of Hong Kong will pay a visit to the UNB campus. During this visit he will address several meetings and lectures concerning problems pertaining to Southeastern Asia, an area which is increasingly attaining prominence in world affairs.

A graduate of Chang Chi College and Union Theological College, Hong Kong, Mr. Huang is now on a UNESCO sponsored tour of universities in Ontario, Quebec and the Maritimes.

Secretary of WUS

At present he is secretary of WUS in Hong Kong and has been active in developing the aid program for refugee students from China. Mr. Huang is familiar with the refugee problem in the Far East and, having travelled extensively in Southeastern Asia, he is familiar with the general problems facing people and university students in this area.

General Meeting

Mr. Huang will address a general meeting of WUS in Memorial Hall on November 17 at 4:30 p.m. The WUS committee hopes that there will be a large turn-out to what promises to be an interesting talk.

Campus Briefs

The Student Directory will go on sale Monday at 25¢ each says Editor Hugh Griffith. Time and place are as follows: 9 a.m. to 4:30 p.m., Memorial Hall, Arts Building, Forestry Building, and Civil Engineering Building; and

Dr. Mackay Named Member of Board of Broadcasters

UNB President, Dr. Colin B. Mackay, has been named a part-time member of the newly-formed board of broadcast governors. In an announcement made at Ottawa Tuesday, Revenue Minister George Nowland, who reports to parliament on broadcasting matters, revealed the composition of the two new boards:

The President

COLIN B. MACKAY

The new set-up replaces that which existed under the CBC board of governors, with the BBG taking over from the now-defunct CBC board all regulatory powers over broadcasting and the second group, the CBC directorate, confining its activities to the national radio and television services of the publicly-owned corporation. Dr. Andrew Stewart, president of the University of Alberta, heads on a full-time basis the 15-member BBG. J. Alphonse Ouimet, general manager of the CBC, will now also assume presidency over the 11 member board of directors of the Corporation.

Office Term

Dr. Mackay's term of office is for five years. Terms are limited to two consecutive ones after which one year must elapse before reappointment is possible.

Simmons Named As Shell Scholar

The University of New Brunswick has named Donald Leslie Simmons to receive a Shell Oil Postgraduate Fellowship for advanced study toward a Ph.D. Degree in Chemistry. He is one of eight Canadian university students awarded similar fellowships which have a maximum value of \$2,300.

Mr. Simmons received his secondary schooling at Summerside Academy and continued his studies at Acadia University where he obtained a B.Sc. honors in Chemistry Degree in 1955 and his M.Sc. degree at Dalhousie in 1957. This is the second time that a Shell Postgraduate Fellowship has been awarded to Mr. Simmons.

DONALD LESLIE SIMMONS
