Campus Comment

Holt, English professor — The point of an essay is that it is an exercise in logical thought for the student.

Jacques Viens, French professor — If the students use this Termpapers Service they will never learn because they will not have to make an effort to learn.

Elliot Shendale, Calumet — My feeling is that they are well worth it if you are willing to pay the price.

Melodine Tindall, College G — It totally depends on the individual. I could never pay someone to write a paper for me and accept credit. I just wouldn't feel right.

Question: What do you think of Termpaper Services, the new essay service that will enable students to buy essays?

Now that you can fly to Europe for peanuts, here's how little you shell out to get around:

\$130 for Two Months of unlimited rail travel in Austria, Belgium, Denmark, France, Germany, Holland, Italy, Luxembourg, Norway, Portugal, Spain, Sweden, Switzerland.

You shell out \$130, and get a Student-Railpass. All you need is the bread and something to show you're a bona fide student between 14 and 25.

Our Student-Railpass gives you all that unlimited rail travel on the 100,000 mile railroad networks of those 13 countries. For two foot-loose months. So with low air fares and Student-Railpass you've got Europe made.

Our Student-Railpass gets you Second Class travel on our trains. You'll find that there's very little second class about Second Class. Besides being comfortable, clean, fast, and absurdly punctual, the Euro-

pean trains have some other advantages for you. They take you from city center to city center, so you don't have to hassle airports. And the stations are helpful homes away from home, with Pictograms that give you information in the universal language of signs, and dining rooms, bookstores and other helpful facilities.

Now, here's the catch. You can't get your Student-Railpass or the regular First Class Eurailpass in Europe—you have to get them before you leave the country. So see your Travel Agent soon. Meanwhile, send in the coupon for a free folder, complete with railroad map.

Prices quoted in U.S. dollars.

STUDENT-RAILPASS

The way to see Europe without feeling like a tourist.

Eurailpass is valid in Austria, Belgium, Denmark, France, Germany, Holland, Italy, Luxembourg, Norway, Portugal, Spain, Sweden, Switzerland.

Eurailpass, Box 2168, Toronto, 1, Ontario

Please send me your free Eurailpass folder with railroad map. Or your Student-Railpass folder order form.
